**How to order guaranteed next day delivery in UK?**

### **(FAQ 1)**

Ordering for next day delivery parcel in the UK is simple. Cut off and despatch time are visible on top of website. Place your order and make payment before cut off time (forward proof of payment to support-center@), your parcel will be despatched immediately after our cut off time with same day posts (Except Saturday, Sunday and Bank holiday) via Royal Mail's Guranteed Next Day delivery service.

**Do you accept Paypal payment?**

### **(FAQ 2)**

In general the answer is no. However, depending on your previous orders and

payments history, some times we may accept  
Paypapal payment upon request.

KD\$

### **Important Paypal payment instruction**

While making Paypal payment, it is very important that you follow exact instructions those have been given to you. Never mention any product name like Kamagra OR website address like KamagraDeal, Kamagra UK etc. Usually you should mentions ONLY the order number.

**Do you have Kamagra now in stock?**

#### **(FAQ 3)**

Short answer, “YES”. Any product including Kamagra 100 mg on our website available for purchase is in stock. We do not sell Kamagra neither any other product unless they are in stock. If a product is not in stock, you will see in red text “Out of stock” and you will not be able to place order for that product.

**Do you supply direct Kamagra in the UK?**

#### **(FAQ 4)**

Yes, ***we are base in the UK*** and all parcels are despatched direct from UK. Unlike other websites, we do not provide with misleading information and all our services are transparent.

**Do you provide with tracking number? / Do you send traceable parcels?**

### **(FAQ 5)**

Yes, each and every parcel is traceable. You can track your order status (Pending, Packaging, Packed, Shipped) on our website untill the parcel has been despatched/ left warehouse. We will send you updates via email and also via SMS for the order status change mentione previously.

Once the parcel has been posted, you will receive your final Order Status update (Shipped) email from us, this email will contain your Royal Mail's tracking link. Once you have received the tracking link, it is your responsibility to track the parcel, contact Royal Mail if needed and provide with delivery facilities (stay available at delivery address) OR collect it from your local PO/collection point.

The parcel is discreet thus it contains no return address. If the parcel gets returned (nowhere) we do not receive the products back, and NO we will not send a replacement parcel because customer has failed to receive or collect the parcel.

**Do you provide with replacement parcels for lost parcels?**

### **(FAQ 6)**

Any lost/ damaged parcel caused by our or Royal Mail's mistake will be replaced by a compensation/ replacement package. If the

KD\$

parcel could not be delivered because customer failed to receive or collect it, or provided delivery address was incorrect/incomplete, will not be replaced in any condition.

KD\$

**My account has been blocked, why and how can I unblock my account?**

### **(FAQ 7)**

Basically we require you to explain us, exactly under what circumstances your account was blocked, so that we can further investigate it and consider opening your account for use again.

The main reasons why your account has been blocked are 1. \*TRASH\* orders in account 2. Breaking/ disregarding our Terms, Conditions and instructions. 3. Incorrect information in account.

Intentionally providing with false account details is a serious violation. While contacting us, be advised to be open minded, take time to explain your circumstances honestly.

If your account is blocked because of creating trash orders, unblocking your account is very simple.

**2 steps to unblock account, that was blocked because of \*trash\* order(s)**

1. Make payment for your last order 2. Send account unblocking request with attachment of your proof of payment via our [support center \(https://kamagradeal.com/create-support-ticket\)](https://kamagradeal.com/create-support-ticket).

KD\$

**I have just made my payment, what next?**

### **(FAQ 8)**

The 1st advise is, please READ and FOLLOW instructions in your order confirmation email and thus avoid any mistake. In your order confirmation email the 1st instructio in red text is:

Please note that, there is no meaning of sending us email or SMS to tell us that you have made payment.

Your every email and SMS creates a support Alarm+ticket in our Support system, hence e kind to avoid any unnecessary SMS like “paid” or “I have paid...” those have no value. You will be updated once payment is deposited. To help us maintain a quality support for you and other customers, please avoid any email or SMS like: Paid, payment done, thank you etc. For any inquiry, gather and type as much information as possible, before sending it to us. Also read already sent instructions.

KD\$

When payment has been received, we will update you via SMS and email with order status “**Packaging**”. Card payments are updated immediately. For UK bank transfer, most payments are deposited immediately or within 2 hours. SEPA EURO bank transfer takes 1-2 banking days. If your order’s status does not change after waiting maximum deposit time, please contact our support with your proof of payment.

### **Do you send discreet parcels?**

All parcels are discreet. Parcels we send do not contain information about products/contents neither have a sender/returning address.

**NOTE:** As there is no sender address, if parcel is returned because of your failure of reception or incorrect address, we do not receive your parcel/products back. As a result in case of previous conditions, we do not carry responsibility and send replacement parcel for such undelivered parcels.

### **How fast delivery is? How many days does Kamagra delivery take in the UK?**

First of all, please follow our cut off and despatch time visible on top of our website.

### **UK**

We provide with 1st Class signed for Royal mail delivery and also Royal Mail Special Next Day Delivery.

KD\$

1st Class signed for takes 1-3 working days.

We will send a tracking link for despatched order to you via email. You can track your parcel on our website just by entering your order number or you can find the tracking link in your order's history.

## **EU & International**

For EU and other international parcel typically it takes about 1-5 weeks however, please be advised to contact your postal service and Customs before you contact us.

### **Where is my parcel? Have you despatched my parcel?**

It is you who is responsible to FOLLOW enormous updates we regularly send via email and also via SMS. You can always track parcel status online, please BE ACTIVE.

It is very important that you **read**, **understand** and **follow** the information and instructions we already have sent to you via SMS and email.

If you have read, understood and followed our

instructions, usually you will not need further support from us.

KD\$

We do always despatch parcels exactly according to our cut off/despatch time visible on top of website. You always can track parcel using order number via our simple tracking option on website. The only reason why you should be creating a support ticket is that you have waited 7 working days in the UK and upto 5 weeks outside the UK but still have not received your parcel.

***Here are the order status updates we send via SMS-***

- \* **Waiting Payment** – Your order has been captured on our order system and we are waiting payment or proof of payment from you
- \* **Packaging** – Once we receive your payment or proof of payment
- \* **Despatched** – Your parcel has been handed over tot postal service and you can track & follow your parcel

il mio giudizio è negativo, ho regolarmente pagato per il mio ordine numero IT-00125394 ma questo è stato inspiegabilmente annullato, ho aperto un ticket ma ancora non mi è stato comunicato nulla. Vorrei che il customer service mi desse delle risposte.

The service provided is reliable and the products provided are dependable. I use this due to a service injury which left me

embarrassingly incapable. Whilst most people suffer from physiological issues, the cost of these products on the high street are prohibitive. This has saved me many embarrassing visits to the doctors and nomatter what I have tried from this supplier, it has been successful. Highly recommended and very competitively priced.
