

**Dr. Miguel Angel Sanchez-Rey, The Leading Professor
The Grandmaster, The Master of Space-Time
Doctor of Non-Theoretic (Nt.d)**

In Seclusion

miasanch@icloud.com

Orcid: 0000-0001-6585-2296

Date of Birth: 06 March 1984

Description

Colombian physicist and truly the father of the Scientific Age. Of common democratic lineage.

Research Fields

Advance Physics, Advance Sciences, Advance Superconsciousness (AdSCon), Biolinguistics, Cognitive-Behavioral Neuroscience, Decision Making, Engineering, Game Theory, High Energy Physics, Logic, Mathematical Linguistics, Mathematical Logic, Mathematical Physics, Military Science, Minimalist Program, Nuclear Physics, Physics, Relations and Diplomacy, Robotics, Semantics, Syntax, *The Language Table*, Theoretical Economics, Utopian and Dystopian Studies, Utopian Science, War Game Theory

Education

B.A. in Philosophy, August 2002 to May 2008 -- No affiliation

Undiscovered, 2002 to Present -- Department of Engineering, University of Oxford

Unbeknownst, 2002 to Present -- Department of Applied Mathematics and Theoretical Physics (DAMTP), University of Cambridge

Doctor of Non-Theoretic (Nt.d), 2002 to 2019 -- University of Cambridge (Non-Theoretic Thesis: *The Beginning of Starfleet*)

Occupation

Military Officer, Physicist, Educator, Logician -- Advance Physicist and Utopian Scientist

Founded

The Physicalist Program [PHPR], 2015

The Academy of Advance Science and the Technological Sciences [AASTS], 2017

AdSCon Systems (Branch of PHPR), 2018

Affiliation

Defense Advanced Research Projects Agency (DARPA), the Diplomatic Corps, the International Thermonuclear Experimental Reactor (ITER), the North Atlantic Treaty Organization (NATO), University of Cambridge, University of Oxford, the World Court, the United Nations (UN)

Honorific Affix

The Leading Professor, 2017 -- AASTS

The Grandmaster, 2015 -- PHPR, NATO Strategic Command

The Master of Space-Time, 2015 -- PHPR, the United Nations Educational, Scientific and Cultural Organization (UNESCO), NATO Strategic Command (Allied Command Operations), i.e., The Master of the Primordial Genesis, The Master of Knowledge

Service (Of Higher Qualification)

Catastrophic Control. PHPR, AASTS, the Diplomatic Corps, NATO, and UNESCO. 2015 to present.

Intelligence, Diplomatic, Military, and Strategic Asset for the United States National Intelligence Agencies, the MI6, the Diplomatic Corps, and NATO.

Especially, UNESCO. 2015 to present.

Expert and High-Stakes Decision-Maker. 2015 to present.

Top-Military Scientist for the North Atlantic Alliance. Brussels, Belgium. 2015 to present.

Areas of Expertise

Military Science, Advance Physics, Advance and Utopian Science, Engineering Sciences (including, electrical, chemical, mechanical, computer, electronic, material, nuclear, and physical engineering), Political and Military History, Economic Science, Consciousness and Artificial Intelligence, Robotics, Cognitive-Behavioral Neuropsychology, Psychoanalysis, Pure and Applied Mathematics (especially, algebraic topology, algebraic geometry, algebraic number theory, applied computation, category theory, Chern-Simons theory, commutative algebra, differential geometry, differential topology, Donaldson theory, dynamical systems, functional analysis, game theory, graph theory, homological algebra, mathematical analysis, number theory, numerical analysis, quantitative biology, quantitative statistics, Seiberg-Witten theory, K-theory, knot theory), Linguistics (including, Mathematical Linguistics, Computational Linguistics, Biolinguistics, Minimalism, Syntax, Generative Grammar, Pragmatics, Constructionist Linguistics, and Semiotics), Mathematical and Symbolic Logic (especially, the modern logicians: Gottlob Frege, David Hilbert, Bertrand Russell and Alfred Whitehead, Kurt Gödel, Alan Turing, Alonzo Church, Paul J. Cohen, and Douglas Hofstadter), Analytical Philosophy, Anglo-American Philosophy, Philosophy of Science, World Literature, Education and Higher Learning, Diplomacy and Relations, Non-Theoretic

Areas of Competence

Post-Modernity, Modernism, Continental Philosophy, Existentialism, Utilitarianism, Pragmatism, Empiricism, Rationalism, Logical Positivism, Radical Philosophy, the Frankfurt School, Nietzschean Studies, Contemporary and Classical Modern Philosophy, Marcus Aurelius, Aristotle, Plato, Atheism and Religious Studies, Environmental Studies, Naturalism, Physicalism

Areas of Specialization

Advance Physics, Advance and Utopian Sciences, the Omega-Kardashev Scale, Epi-Hyperspace, Epi-Robotics, Advance Superconsciousness, *The Language Table*, the Internationalist Model, Anarchosyndicalism, Metacointainment, Metasupermoduli Field-[Theory], Metaspace, the Primary Matrix, Advance Superstringy, *The Grandscheme*, War Game Theory, Logical Intuitionism

Conference Presentations

Unpermitted; instead email me at your discretion (or resort by indirect channels to establish a direct line of communication). A return email is not a guarantee and indirect channels may block communication. To schedule a meeting or any further arrangement is nearly improbable, but welcome to suggestion.

{Note: When lives are at stake, the top-priority is of little concern.

To be of scientific, political, and literary leadership is to decline without say.}
