

CURRICULUM VITAE

Professor Donna L. Dickenson

E-mail: d.dickenson@bbk.ac.uk/d.dickenson@bristol.ac.uk
Website: www.donnadickenson.co.uk
Home Address: Rhulen, High Street, Beckley, Oxford OX3 9UU
Telephone: 01865 351223
Date of Birth: 15 November 1946
Married, two children

TERTIARY AND HIGHER EDUCATION

BA. in Political Science with High Honors (equivalent of British first-class Honours), Wellesley College, Massachusetts, USA, 1967
M.Sc. in International Relations, London School of Economics and Political Science, 1968
Ph.D. in Philosophy, Open University (topic: 'Moral Luck in Medical Ethics and Practical Politics'), 1989. Principal supervisor: Professor Alan Ryan, University of Oxford

EMPLOYMENT HISTORY

Current: Emeritus Professor of Medical Ethics and Humanities, Birkbeck College, University of London
Research Associate, HeLEX (Centre for Health, Law and Emerging Technologies), University of Oxford
Honorary Fellow, The Ethox Centre, University of Oxford
Honorary Research Fellow, Centre for Ethics in Medicine, University of Bristol

Previous positions: Professor of Medical Ethics and Humanities, and Executive Director of The Birkbeck Institute for the Humanities, University of London, 2005-6
Fellow, Columbia University Institute for Scholars, Paris, autumn 2004
John Ferguson Professor of Global Ethics and Director, Centre for the Study of Global Ethics, University of Birmingham (2001-2004)
Head of Medical Ethics Unit and Leverhulme Reader in Medical Ethics and Law, Imperial College School of Medicine, Imperial College of Science, Technology and Medicine (1997-2001)
Senior Lecturer in Health and Social Welfare, The Open University, 1994-1997
Lecturer in Health and Social Welfare, The Open University, 1990-1994
Tutor/tutor-counsellor/consultant, The Open University, 1974-1989
Associate in Research, Yale University, 1968-9 and 1971-3, working on projects in medicine, law and social policy
Research Assistant, The Institute for the Future (a social policy 'think tank') Connecticut, USA, 1970, working on projects in science and social policy
Research Assistant, Vera Institute of Justice, Criminal Courts, New York, 1969
Journalist, The Associated Press, 1966-67, New York

PUBLICATIONS

32. Widdows H, **Dickenson D**. Hellsten S. Global bioethics. *New Review in Bioethics* 2003; **1**, 1: 101-16.
33. **Dickenson D**. Commentary on Malcolm Parker, 'Reasoning about embryos, cloning and stem cells'. *Monash Bioethics Review* 2003.
34. **Dickenson D**. Consent, commodification and benefit-sharing in genetic research. *University of Nairobi Law Journal* 2003; **1**: 146-57.
35. **Dickenson D**. Patently paradoxical? Public order and genetic patents. *Nature Reviews Genetics* 2004; **5**, 2.
36. **Dickenson D**. The threatened trade in human ova. *Nature Reviews Genetics* 2004; **5**, 2: 86.
37. **Dickenson D**. Consent, commodification and benefit-sharing in genetic research.. *Developing World Bioethics* 2004; **4**, 2: 126-141.
38. **Dickenson D**. The French National Bioethics Committee. *Bionews* 2004, online, headline report.
39. **Dickenson D**. Human tissue and global ethics. *Genomics, Society and Policy* 2005; **1**, 1: 41-53.
40. **Dickenson D**. The new French resistance: commodification rejected? *Medical Law International* 2005; **7**, 1: 41-64.
41. **Dickenson D**. Gender and bioethics committees: where's the 'different voice'? *Bioethics* 2006; **20**, 4: 115-124.
42. **Dickenson D**. The lady vanishes: what's missing from the stem cell debate. *Journal of Bioethical Inquiry* 2006; **3**: 43-54.
43. **Dickenson D**. Review of Nafsika Athanassoulis, *Morality, Moral Luck and Responsibility*. *Philosophical Quarterly* 2006; 626-7.

44. **Dickenson D.** Tissue economies: biomedicine and commercialisation. *Perspectives in Biology and Medicine* 2007; **50**, 2: 308-11.
45. **Dickenson D.** Prospero among the neo-conservatives: the temptations of political powerlessness. *The Hedgehog Review* 2007; **9**, 1: 61-70.
46. **Dickenson D,** Alkorta A. Ova donation for research: an international comparative perspective. *International Journal of Feminist Approaches to Bioethics* 2008; **1**, 125-144.
47. **Dickenson D.** An uneasy case against Stephen Munzer: umbilical cord blood and property in the body. *American Philosophical Association Newsletter*, 2009; 8(2): 11-16
48. **Dickenson D.** The lady vanishes: human eggs as commodities in stem cell research. (Dutch translation) *Streven* (Dutch-language academic journal), 2009.
49. **Dickenson D.** Good science and good ethics: why we should discourage payment for eggs in stem cell research. *Nature Reviews Genetics*, November 2009, vol. 10, no. 11, p. 743.
50. **Dickenson D.** Bioequity—property in the body. Review of book by Nils Hoppe in *Journal of Law in Context*, 2010.
51. **Dickenson D.** Commentary on Kavita Shah, ‘Selecting barrenness: the use of preimplantation genetic diagnosis by congenitally infertile women to select for infertility’. *Human Reproduction and Genetic Ethics*, vol. 16, no. 1, 2010, pp. 25-27.
52. **Dickenson D.** Regulating (or not) reproductive medicine: an alternative to letting the market decide. *Indian Journal of Medical Ethics* (2011), vol. 8, no. 3, pp. 175-179.
53. **Dickenson D.** Great expectations, modest returns. *Genewatch* (2012), special issue on Whole-Genome Sequencing in Medicine, vol. 25, no. 5, pp. 23-26.
54. **Dickenson D.** The commercialization of human eggs in mitochondrial replacement research. *The New Bioethics*, 2013, vol. 19, no. 1, pp. 18-29.
55. **Dickenson D.** La bioéthique féministe. *Implications Philosophiques*, January 2014.
56. **Dickenson D.** In Me We Trust: public health, personalized medicine and the common good. *The Hedgehog Review*, vol. 16, no. 1, spring 2014.
57. **Dickenson D.** Ethical qualms about genetic prognosis. *Canadian Medical Association Journal*, Apr 5, 2016, vol. 188 (6), 453-4.
58. **Dickenson D., Darnovsky M.** Did a permissive scientific culture encourage the ‘CRSPR babies’ experiment? 350 *Nature Biotechnology* 367-69, March 2019.

BOOKS IN BIOETHICS

1. **Dickenson D.** *Moral Luck in Medical Ethics and Practical Politics*. Aldershot: Avebury, 1991.
2. **Dickenson D,** Johnson M (eds.). *Death, Dying and Bereavement*. London: Sage, 1993.
3. **Dickenson D.** *Property, Women and Politics: Subjects or Objects?* Cambridge: Polity, 1997.
4. **Dickenson DL,** Fulford KWM. *In Two Minds: Case Studies in Psychiatric Ethics*. Oxford: Oxford University Press, 2000. (British Medical Association award of commendation, 2001)

5. **Dickenson D**, Johnson M, Katz JS (eds.). *Death, Dying and Bereavement*. London: Sage, 2000, second edition.
6. Parker M, **Dickenson D**. *The Cambridge Medical Ethics Workbook*. Cambridge: Cambridge University Press, 2001.
7. **Dickenson D**. (ed.) *Ethical Issues in Maternal-Fetal Medicine*. Cambridge: Cambridge University Press, 2002.
8. Fulford KWM, **Dickenson DL**, Murray TH. *The Blackwell Reader in Health Care Ethics and Human Values*. Oxford: Blackwell, 2002.
9. **Dickenson D**. *Risk and Luck in Medical Ethics*. Cambridge: Polity, 2003.
10. **Dickenson D**. Series general editor, *Teaching Medical Ethics*. Oxford: Berghahn Books, 2003.
11. Lloyd D, Widdows H, **Dickenson D**. *The Cambridge Medical Ethics CD-ROM*. Cambridge: Cambridge University Press, 2005.
12. **Dickenson D**. *Donna Dickenson: Lichaam en Eigendom (Body and Property)*. Festschrift on award of International Spinoza Lens Prize. Amsterdam: Boom, 2006.
13. **Dickenson D**. *Property in the Body: Feminist Perspectives*. Cambridge: Cambridge University Press Law, Medicine and Ethics Series, 2007.
14. **Dickenson D**. *Body Shopping: The Economy Fuelled by Flesh and Blood*. Oxford: Oneworld, 2008, updated paperback edition 2009 as *Body Shopping: Converting Body Parts to Profit*. Japanese, Bulgarian and Korean translations.
15. **Dickenson D**, Huxtable R, Parker M. *The Cambridge Medical Ethics Workbook*, second edition. Cambridge: Cambridge University Press, 2010.
16. **Dickenson D**. *Bioethics*. Hodder 'All That Matters' Short Introduction series, London: Hodder Education, 2012.
17. **Dickenson D**. *Me Medicine v. We Medicine: Reclaiming Biotechnology for the Common Good*. New York: Columbia University Press, 2013.
18. **Dickenson D**. *Property in the Body: Feminist Perspectives*. Second edition. Cambridge University Press, 2017.
19. **Van Beers B, Sterckx S, Dickenson D**. (eds). *Personalised Medicine, Individual Choice and the Common Good*. Cambridge: Cambridge University Press, 2018.

BOOKS IN LITERATURE AND LITERARY CRITICISM

1. *In Four Minds: An Anthology of Four Women Poets* (1976), Birmingham, Birmingham Arts Lab Press
2. *Emily Dickinson* (1985), Oxford, Berg Publishers
3. *Peterloo Preview One* (anthology of six poets) (1988) Peterloo Poets
4. *George Sand: A Brave Man, The Most Womanly Woman* (1988), Oxford, Berg Publishers
5. *Margaret Fuller: Writing a Woman's Life* (1993) Basingstoke, Macmillan
6. *Margaret Fuller's Woman in the Nineteenth Century and Other Writings* (editor) (1994) Oxford, Oxford World's Classics
7. *The Miller of Angibault* by George Sand (translator) (1995) Oxford, Oxford World's Classics
8. Peterloo Poets annual competition, 2003, prizewinner for the poem, 'Counting the Cats in Zanzibar'
9. *Truth or Consequences: A Tale of Biotechnology and Bigamy* (unpublished novel)

10. Poetry published in the following magazines: *London Magazine*, *Magma*, *Workshop New Poetry*, *The Little Word Machine*, *Prospice*, *French Poetry Now*, *The Malahat Review*

BOOK CHAPTERS

1. Adshead G, **Dickenson D**. Why do doctors and nurses disagree? In Dickenson D, Johnson M (eds), *Death, Dying and Bereavement*. London: Sage, 1993, pp. 161-7.
2. **Dickenson D**. Is efficiency ethical? Resource issues in health care. In: Almond B (ed.), *An Introduction to Applied Ethics*. Oxford: Blackwell, 1995, pp. 229-246.
3. **Dickenson D**. Property, particularism and moral persons. In: Griffiths M, Whitford M (eds), *Women Review Philosophy: New Writing in Philosophy*. Nottingham: University of Nottingham Press, 1996, pp. 45-68.
4. **Dickenson D**. Redefining democratic politics: counting women in. In: McGrew A (ed.), *The Transformation of Democracy: Globalization and Territorial Democracy*. Cambridge: Polity, 1997, pp. 97-120.
5. **Dickenson D**. Community disintegration or moral panic? Young people and family care. In: Parker M (ed.), *Ethics and Community in the Health Care Professions*. London: Routledge, 1998, pp. 62-78.
6. **Dickenson DL**. Ethical issues in pre-cancer testing: the parallel with Huntington's Disease In: Fulford KWM, Dickenson DL, Murray TH (eds), *The Blackwell Reader in Healthcare Ethics and Human Values*. Oxford: Blackwell, 2001, pp. 97-100.
7. **Dickenson DL**. Who owns embryonic and fetal tissue? In: Dickenson DL (ed.), *Ethical Issues in Maternal-Fetal Medicine*. Cambridge: Cambridge University Press, 2002, pp. 233-246.
8. **Dickenson DL**. Recent debates in maternal-fetal medicine: what are the ethical issues? In: Dickenson DL (ed.), *Ethical Issues in Maternal-Fetal Medicine*. Cambridge: Cambridge University Press, 2002, pp.1-16.
9. **Dickenson D**. Feminist perspectives on human genetics and reproductive technologies. *Encyclopaedia of the Human Genome*. Wiley, 2006, second edition 2009, third edition 2016.
10. **Dickenson D**. The case for international ethics education. In: Tadd W (ed.), *Ethical Issues in Nursing Management and Education: Perspectives from Europe*. Basingstoke: Macmillan, 2002.
11. **Dickenson D**. Einwilligung, kommodifizierung und Vortelsausgleich in der Genforschung. In: Honnefelder L et al. (eds), *Das Genetische Wissen und die Zukunft des Menschen*. Berlin: De Gruyter, 2003, pp. 139-151.
12. **Dickenson D**. Commodification of human tissue: implications for feminist and development ethics (Portuguese translation). In: Diniz D (ed.), *Bioetica Feminista Contemporanea*. Brasilia: Editora Letra Livres, 2003.
13. **Dickenson D**. What feminism can teach global ethics. In: Tong R, Donchin A, Dodds S (eds), *Linking Visions: Feminist Bioethics, Human Rights and the Developing World, Integrating Global and Local Perspectives*. Lanham, MD and Oxford: Rowman and Littlefield, 2004, pp. 15-30.
14. **Dickenson D**, Widdershoven G. Ethical issues in limb transplants. In: Benatar D (ed.), *Cutting Edge: The Ethics of Contested Surgeries*. Lanham, MD and Oxford: Rowman and Littlefield, 2006, pp. 141-154.

15. **Dickenson D.** Philosophical assumptions and presumptions about trafficking for prostitution. In: van den Anker C, Doomernik J (eds), *Trafficking, Prostitution and Human Rights*. Basingstoke: Palgrave Macmillan, 2006, pp. 43-53.
16. **Dickenson D.** Ownership, property and women's bodies. In: Widdows H, Alkorta I, Emaldi A (eds), *Women's Reproductive Rights*. Basingstoke: Palgrave Macmillan, 2006, pp. 188-189.
17. **Dickenson D.** What should be the RCOG's relationship with older women? In: Bewley S, Ledger W, Nikolaou D (eds), *Reproductive Ageing*. London: Royal College of Obstetricians and Gynaecologists Press, 2009.
18. **Dickenson D.** The lady vanishes: was in der Stenzelldebat fehlt. Translated by Franziska Gruber. In: Thomas Potthast, Ute Muller and Beate Hermann (eds), *Wem gehört der menschliche Körper?* Paderborn, Germany: Mentis Publishers, 2010, pp. 95-119.
19. **Dickenson D.** Exploitation and choice in the global egg trade: emotive terminology or necessary critique? In: Michele Goodwin (ed.), *The Global Body Market: Altruism's Limits*. New York: Cambridge University Press, 2013, pp. 21-43.
20. **Dickenson D.** Personalized genetic medicine: present reality, future prospects. In Sheldon Krinsky and Jeremy Gruber (eds), *Biotechnology in Our Lives*. New York: Skyhorse Press, 2013.
21. **Dickenson D.** Interview. In Klasien Horstman and Marli Huijter, *Yearbook of Women's History: Gender and Genes*. Amsterdam: Hilversum, 2013.
22. **Dickenson D.** Alternatives to a corporate commons. In Imogen Gould, Kate Greasley Jonathan Herring and Loane Skene (eds), *Property in the Body*. Oxford: Hart Publishers, 2014.
23. **Dickenson D.** The commodification of women's reproductive tissue and services. In Leslie Francis (ed.), *The Oxford Handbook of Reproductive Ethics*. New York: Oxford University Press, 2017..
24. **Dickenson D.** Bio-science policies. In *Encyclopedia of the Life Sciences*. Chichester: John Wiley, 2015.
25. **Dickenson D.** The common good. In Roger Brownsword, Eloise Scotford and Karen Yeung (eds), *The Oxford Handbook of Law and the Regulation of Biotechnology*. Oxford: Oxford University Press, 2017.
26. **Dickenson D.** Me Medicine. In Osagie K. Obasogie and Marcy Darnovsky (eds), *Beyond Bioethics: Toward a New Biopolitics*. Berkeley: University of California Press, 2018.
27. **Dickenson D, van Beers B, Sterckx S.** Introduction to the volume. In Britta van Beers, Sigrid Sterckx and Donna Dickenson (eds), *Personalised Medicine, Individual Choice and the Common Good*. Cambridge: Cambridge University Press, 2018.

CONFERENCE PAPERS

1. Adsheed G, **Dickenson D.** Do doctors and nurses need a different bioethics? University of Oxford School of Medicine (Oxford Practice Skills project) and Council of Europe international conference on 'Ethics, Law and Communications Skills', April 1991.

2. **Dickenson D.** Children and informed consent: recent case law and the Children Act. Second International Conference on Children and Death, University of Edinburgh, September 1991.
3. **Dickenson D.** The cases of R and W. Wolfson Centre for Socio-Legal Studies, University of Oxford, conference on 'Children's Wishes, Law and Ethics', March 1993.
4. **Dickenson D.** Medical risk-taking and moral wrongdoing. Invited keynote address at Second International Conference of the UK Forum on Health Care Ethics and Law, University of Edinburgh, March 1993.
5. **Dickenson D.** Consent and the Children Act. Royal College of Psychiatrists Winter Meeting, London, February 1994.
6. **Dickenson D.** Psychiatry, ethics and genetics. University of Oxford/Mt Sinai Hospital (New York City) Joint Conference, Oxford, April 1994.
7. **Dickenson D.** Best interests, legal and philosophical. European Society for Philosophy and Medicine Conference, Paris, June 1994.
8. **Dickenson D.** Advance directives in law, ethics and practice. Society for Applied Philosophy annual conference, London 1995.
9. **Dickenson D, Bewley S.** Ethical issues in late-stage termination of pregnancy. University of Oxford/Mt Sinai Joint Conference, Oriel College, March 1996.
10. **Dickenson D.** Ethical issues in rationing health care for the elderly. Instituut voor Gezondheidsethiek (Institute for Bioethics), Maastricht, June 1996.
11. **Dickenson D.** Teaching ethics to healthcare practitioners: an experiential approach. Akademie für Ethik in der Medizin (Academy for Ethics in Medicine), University of Freiburg, July 1996.
12. **Dickenson D.** Markets, community and health care rationing. Instituut voor Gezondheidsethiek (Institute for Bioethics), Maastricht, April 1997.
13. **Dickenson D.** Ethical issues in pre-cancer screening: the parallel with Huntington's Disease. UICC International Conference on Familial Cancer and Prevention, Kobe, Japan, May 1997.
14. **Dickenson D.** Dementia and informed consent: rethinking UK law and practice. Second UNESCO International Conference on Bioethics and Biolaw, Copenhagen, June 1998.
15. **Dickenson D, Parker M.** The European Biomedical Ethics Practitioner Education Project. European Society for Philosophy of Medicine in Healthcare, Marburg, August 1998.
16. **Dickenson D.** Can medical criteria settle the priority-setting debate? The need for ethical analysis. Second British Medical Association International Conference on Priorities in Health Care, London, October 1998.
17. **Dickenson D.** Cross-cultural issues in European bioethics. Fourth World Conference, International Association of Bioethics, Tokyo, October 1998.
18. **Dickenson D.** The EBEPE project: what have we learned, and where to we go from here? European Biomedical Ethics Practitioner Education Project Final Conference, Imperial College London, April 1999.
19. **Dickenson D.** Who owns fetal tissue? Insights from law and feminist theory. Hastings Center/Harvard University joint conference at University College, Oxford, September 1999.
20. **Dickenson D.** Property and women's alienation from their own reproductive labour. International Association of Bioethics Fifth International Conference, plenary session, Imperial College London, September 2000.

21. **Dickenson D.** Property, women and politics. University of Maastricht conference, October 2000.
22. **Dickenson D.** Ethical issues in evidence-based medicine: UK developments. Evibase (European Commission) Workshop, Instituut voor Gezondheidsethiek, University of Maastricht, February 2001.
23. **Dickenson D.** Commodification of human tissue: implications for feminist and development ethics. Second AmFiTan Conference on Development Ethics, University of South Florida, February 2001.
24. **Dickenson D.** Commodification of human tissue in stem cell research. British International Studies Association, Group on Global Ethics Workshop, University of Cambridge, March 2001.
25. **Dickenson D.** Quality of care issues and evidence-based medicine. Evibase (EC) Workshop, Imperial College London, June 2001.
26. **Dickenson D.** Property, women and politics. ESRC seminar series 'Beyond Contract? Borders, Bodies and Bonds', University of Warwick, December 2001.
27. **Dickenson D.** Evidence-based medicine: quality of care and vulnerable groups. Evibase (EC) Workshop, Turin, March 2002.
28. **Dickenson D.** The Mental Health Act reforms in the United Kingdom. EPICC (European Commission) Project Workshop, Maastricht, July 2002.
29. **Dickenson D.** Quality of care and evidence-based medicine. Evibase Final Project Conference, Maastricht, March 2003.
30. **Dickenson D.** Philosophical assumptions and presumptions about trafficking for prostitution. Second International Workshop on Trafficking of the Network for European Women's Rights (NEWR), University of Siena, November 2003.
31. **Dickenson D.** Reproductive rights and property in the body. Second International Workshop on Reproductive Rights of the Network for European Women's Rights (NEWR), University of the Basque Country, San Sebastian, Spain, February 2004.
32. **Dickenson D.** Property in tissue: new models. First International Workshop of the European Commission PropEur project (Property Regulation in European Science, Ethics and Law), University of Birmingham, April 2004.
33. **Dickenson D.** The PropEur project: foundations and initial findings. European Society for Science and Technology International Conference, Paris, August 2004.
34. **Dickenson D.** Philosophical assumptions and presumptions about trafficking for prostitution. Sixth International Association of Bioethics International Conference, University of Sydney, November 2004.
35. **Dickenson D.** The lady vanishes: ethical issues in ova donation. British Fertility Society Ethics Section annual conference, Glasgow, September 2006.
36. **Dickenson D.** Global ethics and multiculturalism in medicine. Conference on 'Pluralitaet in der Medizin', University of Tuebingen, September 2007.
37. **Dickenson D.** What should be the RCOG's relationship with older women? Royal College of Obstetricians and Gynaecologists study workshop, London, September 2008.
38. **Dickenson D.** Property in biobanks. TisEU European Commission project workshop, Paris, June 2009.
39. **Dickenson D.** Share and share alike? Egg 'sharing' in stem cell research. International Society for Stem Cell Research conference, Barcelona, July 2009.

40. **Dickenson D.** Commercialisation and the *Yearworth* case. Workshop on ‘Legal Principles Underpinning the Law on Storage of Human Tissue’, University of Oxford, September 2011.
41. **Dickenson D.** Choice and exploitation in the global egg trade: emotive terminology or necessary critique? World Universities Network workshop on Biocapital and Bioequity, University of Bristol, October 2011.
42. **Dickenson D.** A corporate commons: biobanking, patents and direct-to-consumer genetic testing. Conference at the University of Maastricht, Netherlands, September 2012.
43. **Dickenson D.** The burning question in the UK: ‘mitochondrial replacement’ research and public policy. Conference on Access to Reproductive Technologies, Ecole des Hautes Etudes en Science Sociale, Paris, May 2014.
44. **Dickenson D.** Germline genetic engineering and mitochondrial transfer. AHRC network on Enhancement, University of Oxford, July 2014.
45. **Dickenson D.** ‘We Love the People Behind the Data’: PGP-UK and Commercialisation of Genetic Biobanks. Genetics, Genomics and Global Health conference, University of Sussex, July 2014.
46. **Dickenson D.** Autonomy, solidarity and commodification of the body. Conference on Autonomy and Solidarity: Two Conflicting Values in Bioethics, University of Oxford, February 2015.
47. **Dickenson D.** A reality check for personalised medicine: just a few errors in translation? Conference on Translation in Healthcare, Helex (Healthcare Law and Emerging Technologies) Centre, University of Oxford, June 2015.
48. **Dickenson D.** Can we say anything meaningful about the common good? Keynote speech at invitational symposium on ‘Me Medicine vs. We Medicine: Personalised Medicine, Individual Choice and the Common Good in the Age of Biocapitalism,’ University of Amsterdam, September 2015.
49. **Dickenson D.** The commodification of women’s reproductive tissue: the lady has vanished and is still missing.’ Keynote speech at conference on ‘Consuming Intimacies,’ Brock University, Ontario, October 2015.
50. **Dickenson D.** Property in the body. Keynote speech at Manchester Law School conference, July 2017.
51. **Dickenson D.** UK primary care should not be an early adopter of genomic medicine. Debate on healthcare technology, Royal College of General Practitioners annual conference, 12 October 2017.
52. **Dickenson D.** Keynote speech at University of Ghent, 15 December 2017.
53. **Dickenson D.** The personalisation of medicine and the common good. Pontifical Academy of Sciences conference on ‘The revolution of personalised medicine,’ Vatican City, Rome, 9 April 2019.

INVITED LECTURES, EXPERT TESTIMONY AND LITERARY FESTIVAL APPEARANCES

1. **Dickenson D.** Advance directives in medicine. Medical Women’s Federation, Oxford branch, May 1992.
2. **Dickenson D.** Advance directives: the Law Commission proposals. Worshipful Society of Apothecaries, London, November and December 1993.

GRANTS, DISSEMINATION ACTIVITIES AND PROJECT LEADERSHIP

1. Course Team Chair, 'Death and Dying', 1990-1997, Open University, funded by the Department of Health to produce innovative teaching materials in collaboration with the medical and nursing professional organisations, disseminating new advances in palliative care and ethical issues in death and dying to wider public.
2. Project leader and principal investigator, European Biomedical Ethics Practitioner Education (EBEPE), 1996-1999, Imperial College School of Medicine, funded by BIOMED-2 programme of European Commission to develop and disseminate effective teaching strategies in medical ethics throughout Europe.
3. Project leader and principal investigator, Teaching Ethics: Materials for Practitioner Education, 2000-2002, Imperial College School of Medicine, funded by IVth Framework Programme of European Commission to develop skills of producing outreach teaching materials in reproductive ethics, genetics and research ethics.
4. Project partner, Evibase, 2001-2003, funded by Vth Framework Programme of European Commission to assess popular understanding of what constitutes effective developments in medicine and science versus 'gold standard' of evidence-based medicine.
5. Principal co-investigator, EthiColl, 2001-2003, funded by the Wellcome Trust to assess patients' understandings of developments in collection of pregnancy-related tissue.
6. Project partner, Ethicists and Psychiatrists in Collaboration on Capacity (EPICC), 2001-2004, funded by Vth Framework Programme of European

- Commission to assess new philosophical approaches to psychiatric evaluation of mental capacity.
7. Project leader and principal investigator, Network for European Women's Rights (NEWR), 2004-2006, funded by Vth Framework Programme of European Commission to investigate contrasting European approaches to ethical and legal issues in reproductive ethics, trafficking, women's political participation and social entitlements.
 8. Member of Advisory Board, ESRC-funded research project on 'The global politics of stem cell research,' led by Professor Brian Salter, Health Institute, University of East Anglia, 2004-7.
 9. Project leader and principal investigator, PropEur (Property Regulation in European Science, Ethics and Law), 2005-2007, funded by VIth Framework Programme of European Commission to assess impact of different national and international governance regimes on patenting and commodification of tissue, with relevance to developments in genetics and molecular sciences.
 10. Project partner, Institutionalisation of Ethics in Science Policy (INES), 2005-2007, funded by VIth Framework Programme of European Commission to investigate role of ethics committees in scientific and medical research.
 11. Project advisory board member, TisseEU, 2008-2010, funded by VIIth framework programme of European Commission to investigate different national regimes of biobank and tissue bank regulation.
 12. International advisory board member, REMEDIE, 2008-2010, funded by VIIth framework programme of European Commission to assess social impact of developments in regenerative medicine.
 13. Convenor, World Universities Network symposium series on biocapital and bioequity, 2010-2011
 14. Member, AHRC Neurolaw Project network, 2014-2015

POLICY-MAKING, PROGRAMME DEVELOPMENT AND CONSULTATION IN MEDICINE AND SCIENCE

1. 'Clinical-ethical rounds', a series of termly case conferences on ethical issues in clinical psychiatry, The Warneford Hospital, Oxford, with the Oxford University Department of Psychiatry, 1991-1998
2. Invited member, Riverside Mental Health Trust Ethics Forum, 1994-1999
3. Signatory to Joint Curriculum in Medical Ethics founding document, a national initiative to establish a core UK curriculum in medical ethics and law; member of the Pan-London Ethics Group, which originated the curriculum
4. Invited member of Clinical Ethics Committee, St Mary's Hospital Trust, London, 1997-2001
5. Invited submission to British Medical Association Working Group on Advance Directives, 1994, and member of BMA Working Group on Children's Consent to Treatment, 1995-2001
6. Invited submission to Human Fertilisation and Embryology Authority consultations on fetal ovarian tissue and gamete donation, 1995-1998
7. Consultant on Code of Practice for Neurosurgeons, Ethicolegal Committee of the European Association of Neurosurgical Societies, 1996-1997
8. Invited respondent to Brazier Review of Surrogacy, Department of Health, 1997-1998

9. Invited respondent to Government consultation on Green Paper, 'Who Decides? Making Decisions on Behalf of Mentally Incapacitated Adults', 1998
10. Invited member of European Commission Scientific Advisors' Group Round Tables on Patenting and the Human Genome (2001) and Ethical Issues in Third World Research (2002)
11. Author of commissioned report on property in tissue for Retained Organs Commission consultation on draft Human Tissue Bill, 2002
12. Consultancy to design programme proposal for Economic and Social Research Council on 'Ethics, trust and rights', 2003
13. Invited submission to Human Genetics Commission, 2003
14. Invited member, Royal College of Obstetricians and Gynaecologists Ethics Committee, 2003-2009
15. Invited response by Wellcome Trust to consultations on establishment of UK Biobank (2003) and draft Human Tissue Bill (2004)
16. Member of referee panel, joint ESRC/MRC studentship and fellowship programme, 2004-8
17. Expert witness report to House of Lords and House of Commons Science and Technology Committee reviews of proposed national bioethics committee, 2004-2008
18. Invited member of Government panel on Variant CJD in blood transfusions, Department of Health, 2005
19. Requested response to Department of Health on final report of House of Commons Science and Technology Committee, 2005
20. Invited member of panel on developing response to House of Lords Report on Genomic Medicine, PHG Foundation, University of Cambridge, 2010
21. Consultancy from Economic and Social Research Council to evaluate ESRC Stem Cell Initiative, 2010-2011
22. Submission to Department of Justice and House of Commons Scrutiny Committee on Draft Defamation Bill, 2011
23. Background paper on aesthetic and cosmetic surgery for the Nuffield Council on Bioethics 'Forward Look' event, May 2013
24. Consultancy from Economic and Social Research Council for academic evaluation of the ESRC Genomics Centres Cesagen, Innogen and Egenis during their entire period of operation, 2002-2014

BOARD MEMBERSHIPS

1. Member of Steering Committee, United Kingdom Forum on Health Care Ethics and Law, 1991-5
2. Member of Editorial Board, *Health Care Ethics Committee Forum*, 1991-1993
Convenor of Judges' Panel, First UK Forum Essay Competition (for *Journal of Medical Ethics*), 1994
3. Member of Editorial Board and referee, *Journal of Medical Ethics*, 1995 - 2009
4. Member of Editorial Board and referee, *Health Care Analysis*, 1999-present
5. Member of organising committee and referee, *International Journal of Feminist Approaches to Bioethics*, 2005-present
6. Conference 2000 Committee Secretary, International Association of Bioethics

7. Conference 2000 Committee Liaison Officer, Feminist Approaches to Bioethics, and nominating committee, 2008
8. Jury panel member, The Netherlands Organization for Scientific Research (NWO), 'The Social Component of Genomics Research' programme, 2003
9. Member of Society of Authors, 2005-present, and of executive committee of Writers in Oxford, 2005-2008
10. Listed in *Who's Who in Medicine and Healthcare*, 2009
11. Associate editor, *Human Genetics and Reproductive Ethics*, 2009-present (now *The New Bioethics*)
12. Member of Advisory Board, Leverhulme BIOGOV project, HeLex Centre, University of Oxford, 2019-present.

EXTERNAL EXAMINING

University of Cambridge: undergraduate Tripos in medical ethics and medical law
University of Cardiff: PhD and undergraduate degrees in medical ethics
University of Lancaster: PhD degrees
University of Melbourne: PhD degree
University of Southampton, PhD degree

INTERNATIONAL AWARDS

Winner and only woman laureate of the *International Spinoza Lens Award*, 2006; first recipient was Edward Said, 2008 recipient Michael Walzer. The Spinoza awards are well known in the scientific community; this particular prize is awarded for lifetime contribution to furthering public debate on important ethical issues concerning science and society.
