

DR. TOMMY J. CURRY
PROFESSOR
DEPARTMENT OF PHILOSOPHY
PERSONAL CHAIR
IN AFRICANA PHILOSOPHY & BLACK MALE STUDIES
UNIVERSITY OF EDINBURGH
EMAIL: T.J.Curry@ed.ac.uk

I. EDUCATION

PhD: Philosophy (Aug 2009)
Southern Illinois University Carbondale, Carbondale, Illinois.

M.A: Philosophy (Mar 2005)
with Distinction (Honors)
DePaul University Lincoln Park, Chicago, Illinois.

B.A: Philosophy (May 2004)
B.A: Political Science (May 2004)
Minor: Black American Studies
Southern Illinois University Carbondale, Carbondale, Illinois.
University Honors and Departmental Honors (cum laude)

II. AREAS OF SPECIALIZATION

- A. Black Male Studies
- B. Social/ Political Philosophy, especially Ethical Theories of Oppression and Social Justice.
- C. Anti-Colonial Theory and Sexuality under Colonialism.
- D. Critical Race Theory and Civil Rights Jurisprudence.
- E. Africana Philosophy with an emphasis on the Intellectual History of African American Political Philosophy.
- F. Contemporary Continental/Post-Colonialism.
- G. American Philosophy, specifically 19th early 20th century ethnology.

III. AREAS OF COMPETENCE

- A. Disability, Ethics of Pain Management and Regenerative Medicine
- B. Modern Social Political Theory (World Systems/ Caribbean School)
- C. Philosophical Anthropology of Modernity (Kant, Rousseau, Hegel, Hume, Hobbes)

IV. ACADEMIC APPOINTMENTS

- Professor & Personal Chair (2019-present) University of Edinburgh. Edinburgh, Scotland.
- Professor of Philosophy (2017-2019) Texas A&M University. College Station, Texas.
- Associate Professor of Philosophy (2013-2017) Texas A&M University. College Station, Texas.
- Assistant Professor of Philosophy (2009-2013) Texas A&M University, College Station, Texas.
- Africana Research Center Post-Doctoral Fellow (2008-2009) Penn State University, University Park, Pennsylvania

V. AWARDS, EXTERNAL GRANTS, AND FUNDING FOR RESEARCH

- A. *Josiah Royce Prize in American Idealist Thought: Another white Man's Burden: Josiah Royce's Quest for a Philosophy of white Racial Empire* was the inaugural recipient of this award for its contribution to explaining the role that racism and 19th ethnology had on American philosophers.
- B. *2018 American Book Award Winner*: The 39th Annual ABA Awarded to *The Man-Not*. The American Book Awards were created to provide recognition for outstanding literary achievement from the entire spectrum of America's diverse literary community. The purpose of the awards is to recognize literary excellence without limitations or restrictions.
- C. *Diverse Issues in Higher Education 2018 Emerging Scholar*: Every year *Diverse* holds a national review of scholars resulting in the top ten to fifteen leading scholars of color being awarded the designation of Emerging Scholar. The evaluation is based on their research and contributions to the larger academic community and society.
- D. *Alain Locke Award for Public Philosophy 2017* by the Society for the Advancement of American Philosophy. This award was given for my public intellectual work and advocacy for the recognition of Black men and boys as victims of sexual assault and rape, and the ongoing struggles of Black Americans as victims of multiple genocidal logics in American society.
- E. *USC Shoah Foundation 2016-17 A.I. and Manet Schepps Foundation Teaching Fellow*: For course of Black Male Genocide in the U.S. \$3,500.00. USD University of Southern California (2016-2017).
- F. *Ray A. Rothrock Fellowship*: Endowed chair worth \$15,000.00 USD over three years (September 2013-September 2016).
- G. *PESCA Grant*: For writing of a manuscript entitled *In the Light of Shadows: The Philosophy of Derrick Bell*. \$10,000.00. USD Texas A&M University (May 2012-May 2013).
- H. Private Donor: Bioethical research (Gift: committed/unfunded): \$25,000.00 USD (September 2012)
- I. *Pathways to the Doctorate Research Assistantship Award* (with Daniel Conway), Office of Graduate and Professional Studies, Texas A&M University. \$29,000.00 USD per year (2014, 2018).
- J. *Critical Thinking Seminar Program Research Bursary* (2012): \$3,000.00 USD Texas A&M University (2012).
- K. *Publication Support Grant* (2010): \$1,000.00 USD for William H. Ferris, Texas A&M University (2010).

VI. PUBLICATIONS

- A. SINGLE AUTHORED MONOGRAPHS (*INDICATES REVIEWS IN POPULAR VENUE OR PERSONAL WEBSITE)
 1. Curry, Tommy J., *The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood* (Philadelphia: Temple University Press, July 2017). **2018 American Book Award Winner**
 - Reviewed by Charisse Burden-Stelly, "The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood," *Journal of African American History* 105.2 (2020): 348-350.

“Through courageous critique, rigorous analysis, and careful citational practice, The Man-Not seeks to offer a corrective to contemporary gender theories that discount the sociological and historical data about black men and deny them the capacity for reflection about the dilemmas of manhood... Ultimately, The Man-Not is persuasive in its conclusion that black male studies offers the only liberatory possibility for black men because this method of study conveys that black men possess alternative forms of being, as well as the capacity to invent, create, redefine, and resist the mimicry of white patriarchal genocidal logics.”

- Reviewed by Brad Elliott Stone, “Studying Black Men Seriously: A Reading of Tommy Curry’s *The Man-Not*,” *American Studies* 58.2 (2019): 67-77

“The Man-Not is a book written by a Black male philosopher who wishes to address in a philosophical way the ideology that permits theory to turn a blind eye to the deaths of people the author cares about. It presents strong arguments and raises important questions about the intersection of race and gender in theory. I recommend everyone who works in this area to read it and, most of all, take it seriously.”

- Reviewed by Jerry W. Ward, “Review of *The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood*,” *Newworld Review* 12.82 (2018).

“(Curry) makes a sterling contribution to intellectual history.... (His) research is impeccable.... Curry enlightens us well in his chapters on historiography; sexual victimization of the Black male; the political economy of misandry, class warfare, and disciplinary propagation of mythology; eschatological dilemmas; the delusion of hope and the necessity of coming to grips with what is anti-ethical...(C)ritics and teachers who have a genuine investment in social justice and human rights activism should dare to 'translate' many of Curry's ideas into accessible forms (genres) needed in the pedagogy of the oppressed.”

- Reviewed by Lisa Corrigan, “Review of *The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood*,” *Women Studies in Communication* 42.1 (2019): 103-104.

“The Man-Not is an impressive book, sure to upset scholars invested in static gender theory based on racial myths reproduced in the academy in lieu of empirical debates addressing the impossibility of Black patriarchy amid anti-Black achievement policies that disproportionately affect Black males... The Man-Not exemplifies the deep, risky criticism that all scholars should aspire to, particularly as Curry's call for the institutionalization of Black male studies is compelling... The Man-Not is noteworthy for its use of historical and archival research as well as its theoretical engagement with literatures about gendered violence against Black boys and men. Curry's argument is contentious yet indispensable amid the oftentimes deadly systemic oppressions that Black males encounter.”

- Reviewed by Ashley Noel Mack & Bryan J. McCann, “Critiquing State and Gendered Violence in the Age of #MeToo,” *Quarterly Journal of Speech* 104.3 (2018):329-344.

“Curry's work inspires a radical reappraisal of the ways in which we theorize the nexus of racial and sexual violence by insisting that distinguishing the two leaves the black male for dead... The Man-Not provides important heuristics for nuanced critiques of sexual violence that illuminate the ways in which even the most nominally progressive discourses trade in the sexual dehumanization of Others. Curry also challenges us to deliver on the promise of intersectionality by recognizing that the black male is a racialized and gendered subject – and simultaneously so.”

- Reviewed by Ronald Neal, “The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood,” *African American Review* 51.3(2018): 246-248.

“The Man-Not is a groundbreaking text that raises necessary epistemological and empirical questions regarding the nature, status, and existence of black males in North America. Its deep

engagement with history, sociology, racial ideology, and gender theory distinguishes it from standard works on race, class, and gender in the United States. The Man-Not demonstrates that the condition and status of black males in the United States is unresolved, precarious, and urgent, and that more scholarly work needs to be done.”

- Reviewed by Freeden Blume Oeur, “The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood,” *Men and Masculinities* 21.4 (2018):572-578.

“The Man-Not defies neat summation. Tommy Curry demonstrates his wide-ranging expertise in laying out a multidisciplinary historiography of black male theorizing...it was refreshing to read a book that has little time for academic pleasantries and is so eager to transcend the boundaries of traditional gender theorizing. As a gender scholar who engages with the very theoretical frameworks of which Curry is skeptical, I found myself taking a hard look at my own work and the assumptions behind it. Curry closes The Man-Not by acknowledging that many readers will view his text with suspicion. I agree, but readers from diverse academic backgrounds can still learn much in its pages.”

- Reviewed by Ronald B. Neal, “The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood,” *Philosophy and the Black Experience* 17.2 (2018): 11-12.

“Curry exposes an enormous gap between the prevailing modes of race, class, and gender theory in colleges and universities and the findings from the past and present studies of historians, sociologists, political scientists, and bio-statisticians that point to the precarious condition of Black men and boys. What is more, the empirical findings cited in The Man-Not expose and unearth the problematic ontological, epistemological, and ethical assumptions which have driven race, class, and gender theory for more than four decades...Overall, The Man-Not is a groundbreaking text that raises necessary epistemological and empirical questions where the nature and status of the existence of Black men and boys in North America are concerned. Its deep engagement with history, sociology, racial ideology, and gender theory distinguishes it from standard works on race, class, and gender in the United States.”

- Reviewed by Myron T. Strong, “The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood,” *The Sociology of Race and Ethnicity* 4.2 (2018): 300-301.

“Overall, Curry succeeds in his goal. The book is an incredible piece of scholarship for Black Male Studies and completely convincing in its claim that there is not only a need for Black Male Studies but a need to study it across multiple disciplines, particularly at the intersection of race, masculinity, law, politics, and class. His ability to deliver scholarship that is part literature review, part critique, part analysis, and part biography makes this book an important piece of work set to help steer Black Male Studies into a new, exciting direction.”

- Reviewed by L.L. Lovern, “The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood,” *Choice: Current Reviews for Academic Libraries* 55.3 (2017)

“The author forces readers to reevaluate the interpretations and stereotypes the media uses. He argues that gender studies has disadvantaged black men by imposing and supporting negative historical stereotypes and ignoring the diversity of black boys and men and by falsely aligning black masculinity with white masculinity... The present book is an attempt to fill the gap by presenting a philosophical theory on black masculinity that Curry claims is nonexistent in philosophy...it will serve as an excellent basis for discussions of the academic constructs of legitimacy in research. Many readers may find this book an uncomfortable read, and that is the very reason it should be read. Highly Recommended.”

- Reviewed by Asa Perrson, “The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood,” *Norma: International Journal for Masculinity Studies* (2017): 1-2.

“Curry’s style of writing and the occasional boldness of his assertions make the book well worth reading. The overall aims of the book are highlighted through mapping the vulnerability which makes the genre theory of Man-Not(ness) a useful framework for further theorizations that consider the presence of the Black male corpse and sexual vulnerability in conceptualizations of Black maleness. Curry’s revising of Black masculinity highlights the need to theorize Black masculinity without using white masculinity as a benchmark.”

- Reviewed by Dana Miranda, “Reflections on Tommy Curry Part 2: Book Review” *APA Black Issues in Philosophy Blog*, November 14, 2017, <https://blog.apaonline.org/2017/11/14/reflections-on-tommy-curry/>

“The Man-Not is a genre category in which racial maleness is not coextensive with formulations of patriarchy, because Black males do not share the same gender with Western/White Man. He is not a patriarchal man because he is outside the scope of presumed humanity. Now although some will find this text controversial and seek to dismiss its conclusion and criticisms, I find it a welcomed call to see Black men and boys as worthy of being subjects of study. I look forward to seeing how grounding the Man-Not as a sexualized “zone of nonbeing” will allow Black males a chance to articulate and redefine their own masculinities and formulations of Black manhood. This book is thus a must-read for undergraduates, graduate students and faculty studying the complex intersections of race, gender and class; general readers will also find a challenging but eye-opening introduction to Black Male Studies.”

- Reviewed by Colleen Flaherty, “The Man-Not,” *Inside Higher Education* September 7, 2017, <https://www.insidehighered.com/news/2017/09/07/tommy-curry-discusses-new-book-how-critical-theory-has-ignored-realities-black>.

“Less controversial than Curry’s alleged podcast comments, the book is nevertheless provocative and worth a read by those who want to know Curry’s actual thoughts on race -- or anyone else generally interested in how race intersects with gender and philosophy. The book is dense but well written and notable for posing the concept of the “man-not.” It’s a framework for thinking about the black male experience that Curry says has been misrepresented at best, and at worst ignored, by critical theory.”

- *Reviewed by Leron Barton, “Black Like He And I: The Man-Not And The Fight To Humanize Black Men And Boys,” *The Good Men Project*, October 13, 2017, <https://goodmenproject.com/social-justice-2/black-like-he-and-i-the-man-not-and-the-fight-to-humanize-black-men-and-boys-cmtt/>.

“The Man-Not is an important work that is essential in the day and age of disposable blog entries that ride on incorrect tropes about Black men. This is factual work backed up by data that can be proven, and that is what is missing in conversations about race. The Man-Not is a very dense book. There is a lot to digest here, but a book about racism and white supremacy should not be a quick read. This is a triumph in Black studies and about how the African-American man and boy is written. I felt pride and satisfaction reading this book. A Black man writing a book to humanize Black men and boys: it couldn’t have come at a better time for me and everyone else.”

- *Reviewed Dr. T.Hasan Johnson, “Assessing Tommy J. Curry’s *The Man-Not*: Re-initiating a Case for Black Men,” *Black Masculinism and New Black Masculinities*, September 21, 2017, <https://newblackmasculinities.wordpress.com/2017/09/21/assessing-the-man-not/>.

*“The release of Tommy J. Curry’s new text, *The Man-Not: Race, Class, Genre, and the Dilemmas of Black Manhood*, is both monumental and groundbreaking. This text inaugurates a new field of study—namely, Black Male Studies, and Dr. Curry lays the foundation well by establishing a multi-layered, nuanced approach that encompasses new approaches to conceptualizing gender, develops new gender theory, re-evaluates sexuality, and creatively applies class-analysis in an effort to consider Black men on wholly new grounds. Curry accomplishes this difficult task with*

seeming ease...To this end, Dr. Curry has laid an indelible foundation for a crucially needed dialogue while welcoming Black men into a discussion they have been vehemently excluded from...and I, for one, am grateful. If you haven't yet read *The Man-Not*, prepare to have your world turned upside-down. My advice? Enjoy the ride!"

- *Reviewed by Dr. Angela Roothaan, "The Dilemma's of Black Manhood as the Failure of White Humanity," *angelaroothaan*, July 24, 2017, https://angelaroothaan.wordpress.com/2017/07/24/the-dilemmas-of-black-manhood-as-the-failure-of-white-humanity/?fb_action_ids=10203503624627672&fb_action_types=news.publishes.

"[*The Man-Not*] contains so many studies in detail, that [it] first might appear to be an anthology of research done over the years: from race in 19th century ethnology, through black writers' experience of the effects of the prison-industrial complex, to white women raping black men under slavery, and supporting their lynching in a later period of history.... [S]lowly I started to understand that these were not case studies, and the book is no anthology. It is systematical and methodical to the core, forming theory from actual issues in the lives of black men and boys."
