SUMMARY

I am a young academic professional with career goals in academic research and teaching. My main research fields are the philosophy of law, political theory, constitutional and international law, with a focus on rethinking the link between law and politics in the new forms of democratic governance.

ACADEMIC INFORMATION

2013 –2017

Interuniversity Exchange Doctorate

Faculty of Law, University of Brasília, Brazil (3 years).
Supervisors prof. Miroslav Milovic and prof. Marcelo Neves.

University of Bremen, Bremen, Germany (1 year). I worked in ZERP (Center for European Law and Politics) under the supervision of prof. Andreas Fischer-Lescano.

Title of PhD dissertation: "Jürgen Habermas and Carl Schmitt in the paradigm of modernity: for a critique of the modern law"

2010-2013

Master Degree of International Relation and European Integration **Faculty of Political Science, University of Belgrade, Serbia.**

Title of Master Thesis: "European Integrations between consensus and conflict". Supervisor prof. Tatjana Mišćević.

2006-2010

Bachelor Degree, Faculty of Political Science, University of Belgrade, Serbia.

Main subjects: Political Science, Communication, Sociology and Philosophy.

October 2019 – to date

PROFESIONAL EXPERIENCE

**Visiting Researcher, Faculty of Law, Autonomous
University of Madrid, Spain**

August 2018 – to date

**Postdoctoral Fellow, University of Brasilia (University)
Brasília, Brazil.**

Name of the project: "Potentiality of law: Rethinking the relation between justice and law in works of Giorgio Agamben and Jacques Derrida" under supervision of prof. Miroslav Milovic. My fellowship also includes lecturing on the post-graduate program of the Faculty of Law, participation and organization of seminars and colloquiums related to my field of work.

March 2018 – to date

**Peer Reviewer at TRANS/FORM/AÇÃO (Online Journal of
the State University of São Paulo, Brazil)**

As a peer reviewer, I read and evaluate articles sent by the main editors, and in this way, contribute to the control of quality of the Journal.

June 2019 – to date

**Member of the Research Group "DISCO" (*Direito,
Sociedade Mundial e Constituição – Law, World Society
and Constitution*), University of Brasilia**

The work of group includes participation in monthly colloquiums opened for both students and professors, organization of the seminars and publication of books.

August 2018 – August 2019

Professor, Faculty of Law, University of Brasilia

During this period, I was administrating lectures on the post-graduate program of the Faculty of Law both as assisting lecturer (two semesters on the subject "Ethics and Law"), and as professor (one semester on the subject "Global anti-constitutionalism and fight against 'terrorism'"). My job involved preparation of the program for the forthcoming semester, lecturing, evaluation of the students' work, as well as consultation and assistance to students during the whole lecturing semester.
