## Profile

A naturally curious second year student studying social sciences is looking for research experience in a fibreglass company. I am good at working as part of a team and I am a good communicator. I am applying for this role as I am interested in seeking corporate research experience in order to progress to a career in the research sector.

- Removed unnecessary images from mobile devices used by the students.
- Assisted with handling calls on call logging software used by IT staff.

Assistant Librarian, Colchester/Stanway Library February 2012

Assistant Librarian, Manningtree High School Library. May 2010

## Skills

Collating client information

- As part of my role as an Administrative Assistant, I was responsible for collating and summarising patient records in order to upload them onto the database.

Communication skills

- As a Gallery Assistant, I have had to direct visitors to exhibitions, inform them of current exhibitions and explain the meaning of certain aspects of the exhibitions. This has improved my communication skills and made me a better communicator as a result.

Presentation skills

- As part of my first year project, I had to present reports on the status of the project to the team on a weekly basis. These reports contained details of the progress of the software development and reporting aspect of the project.

Teamwork skills

- I had to work as part of a team in my first year IT project to program a robot to perform certain functions and produce a report on the project..

## Achievements and Interests

- Achieved prefect status at secondary school
- Attended and volunteered for the Human Rights in Asia Conference at the University of Essex.
