ACKNOWLEDGEMENT

The University of Regina is situated on Treaty 4. These are the territories of the nêhiyawak, Anihšīnāpēk, Dakota, Lakota, and Nakoda, and the homeland of the Métis/Michif Nation. Today, these lands continue to be the shared Territory of many diverse peoples from near and far. The nêhiyawak originally referred to Regina as oskana kā-asastēki which literally means “The place where bones are piled up.” This is why Regina's nickname is “Pile O'Bones” and this is the origin of the name of our current location in Wascana Park.
