2 Professional Education, Employment

Professional Education

November 1984:

‘promotie’ to doctor in philosophy, with honours

September 1974:

‘doktoraalexamen’ in philosophy, with honours (major subjects: philosophy of language, logic, philosophy of science; minor subjects: history of philosophy, theoretical linguistics)

January 1972:

‘kandidaatsexamen’ in philosophy, with honours (minor subject: Dutch language and literature)

1969–1974:

studies in philosophy and linguistics, Universiteit van Amsterdam

1963–1969:

gymnasium α , St. Ignatiuscollege, Amsterdam

Other Education

1995:

post-graduate program ‘Management of Professional Organisations’,
PAO Bedrijfs- en Bestuurswetenschappen, Utrecht

Employment

September 2017–present:

Jin Yuelin professor of logic, Department of Philosophy, Tsinghua University,
Beijing

January 2017–December 2019:

full professor in philosophy of language, Department of Philosophy, Faculty of
Humanities, Universiteit van Amsterdam

October 2014–May 2015:

Weilun visiting professor of philosophy, Department of Philosophy, Tsinghua
University, Beijing

October 1998–May 2016:

full professor in philosophy of language, Department of Philosophy, Faculty of
Humanities, Universiteit van Amsterdam

December 1996–September 1998:

full professor in philosophy of language, Faculty of Philosophy, Katholieke
Universiteit Nijmegen

July 1988–September 1998:

associate professor in philosophy of language, Faculty of Philosophy, Univer-
siteit van Amsterdam

August 1986–September 1992:

assistant professor in logic and semantics, Department of Computational Lin-
guistics, Faculty of Arts and Letters, Universiteit van Amsterdam

September 1985–December 1985:

visiting researcher, Department of Computational Linguistics, Faculty of Arts
and Letters, Katholieke Universiteit Brabant

October 1976–June 1988:

assistant professor in philosophy of language, Faculty of Philosophy, Univer-
siteit van Amsterdam

September 1974–September 1978:

researcher on the project ‘Performatives and Pragmatics’ funded by the Dutch
Organisation for the Advancement of Pure Research (Z.W.O.)

3.3 Lectures and Seminars

Lectures (selection)

[Only lectures at international conferences and workshops are listed; until 1996, this is joint work with J. Groenendijk.]

- Dynamic predicate logic, LSA/ASL-meeting, Stanford, California, July 1987
- Dynamic Montague grammar. Going back to MG and beyond DRT, Workshop on Discourse Representation Theory, Stuttgart, Germany, November 1987
- Dynamic Montague grammar, Second Symposium on Logic and Language, Hajdúszoboszló, Hungary, September 1989
- Two theories of dynamic semantics, Third Symposium on Logic and Language, Réfvülöp, Hungary, August 1990
- Two theories of dynamic semantics, JELIA, European Workshop on Logics in AI, Amsterdam, September 1990
- Dynamic semantics, London–Amsterdam Exchange, Amsterdam, February 1992
- A note on interrogatives and adverbs of quantification, Second Conference on Semantics and Linguistic Theory, Columbus, Ohio, May 1992
- Interrogatives and quantificational variability, Fourth Symposium on Logic and Language, Budapest, Hungary, August 1992
- Interrogatives and quantificational variability, Workshop on Computational Semantics, Freudenstadt, Germany, November 1993
- Dynamic semantics for modal predicate logic, Amsterdam–Bucharest Exchange, Amsterdam, June 1993
- Coreference and modality, Workshop on Dynamic Semantics, Fifth European Summer School on Logic Language and Information, Lisbon, Portugal, August 1993
- This might be it, Conference on Information-Oriented Approaches to Language, Logic and Computation, Moraga, California, June 1994
- This might be it, Third CSLI Workshop on Logic, Language and Computation, Stanford, California, June 1994
- Questions, Workshop on Recent Developments in the Theory of Natural Language Semantics, Blaubeuren, Germany, October 1994
- Questions in dynamic semantics, ESF Conference on Logic, Language and Information, Espinho, Portugal, January 1995
- Coreference and modality in the context of multi-speaker discourse, Workshop on Context Dependence in the Analysis of Linguistic Meaning, Prague, Czech Republic, February 1995

- Coreference and contextually restricted quantification. Is there a choice?, Workshop on Context Dependence in the Analysis of Linguistic Meaning, Bad Teinach, Germany, May 1995
- Definite descriptions in dynamic semantics, Fifth Conference on Semantics and Linguistic Theory, Austin, Texas, February 1995
- Logic, language and information, Workshop on Language Modelling, Center for Language and Speech, Johns Hopkins University, Baltimore, Maryland, August 1995
- Changing the context: dynamic semantics and discourse, IATL Workshop on Discourse, Haifa, Israel, February 1996
- Meaning and information flow, Workshop, Rome, Italy, March, 1996
- Update semantics meets dialogue, Third Workshop on Logic, Language, Information, and Computation, Salvador, Bahia, Brazil, May 1996.
- Changez le contexte!, Atelier de Formation des Conférences Jean-Nicod, Château de Bonas & Toulouse, France, May, 1996
- Anaphora and things, Workshop on Reference and Anaphorical Relations, Konstanz, Germany, June, 1996
- An alternative semantics for focus?, Workshop on Discourse Kinematics, Topic-Focus Structure and Logics, European Summer School in Logic, Language, and Information, Prague, Czech Republic, August 1996
- The architecture of meaning: Wittgenstein's Tractatus and formal semantics, Tsinghua University, Beijing, October 2007
- Hand or hammer? On formal and natural languages in semantics, Peking University, Beijing, October 2007
- The quest for purity. Another look at the New Wittgenstein, Renmin University, Beijing, October 2007
- Language as construction, language as practice, Workshop Understanding and Misunderstanding, Swedish Research Council, Uppsala, September 2008
- Abstractions and idealisation. The construction of modern linguistics, Tsinghua University, Beijing, May 2010
- Intuitions and competence in formal semantics, Tsinghua University, Beijing, June 2011

Seminars

[Only seminars that have been given in an international setting are listed. Until 1997, they were presented in cooperation with J. Groenendijk.]

(‘ESSLLI’ is the European Summer School in Logic, Language, and Information.)

- Seminar on dynamic semantics, ESSLLI-1, Groningen, August 1990
- Seminar on questions and answers, ESSLLI-2, Leuven, August 1991
- Two-day tutorial on dynamic semantics and natural language processing, Association for Computational Linguistics, European Chapter, Utrecht, April 1993
- Seminar on dynamic semantics, ESSLLI-6, Copenhagen, August 1994 [with J. Groenendijk, F. Veltman]
- Seminar on dynamic semantics and discourse structure, ESSLLI-9, Aix-en-Provence, August 1997
- Seminar on philosophy of semantics, Department of Philosophy, Tsinghua University, June 2011

3.5 Honours

Learned societies:

- Elected member of the KNAW (Royal Dutch Academy of Sciences), May 2006.
- Elected member of the Institut International de Philosophie, September 2007
- Elected member of the Acedemia Europea, December 2016

From the intellectual community:

- *This is not a Festschrift*, volume of papers on the occasion of Martin Stokhof's 60th birthday, edited by Jaap van der Does and Catarina Dutilh Novaes, http://festschrift_martin_at.vddoes.net

- *The dynamic, inquisitive and visionary life of ϕ , $?\phi$, and $\diamond\phi$. A Festschrift for Jeroen Groenendijk, Martin Stokhof and Frank Veltman*, volume of papers, edited by Maria Aloni, Michael Franke and Flois Roelofsen, <http://www.illc.uva.nl/Festschrift-JMF/>
Includes videos of speeches by, among others, Barbara Partee, Hans Kamp, and Johan van Benthem

4 Research Organisation and Management

4.1 Research programme ‘Structure and content of a formal theory of interpretation’

Programme leader of the research programme ‘Structure and content of a formal theory of interpretation’, 1987–2005.

This programme coordinates all research in philosophy of language, formal semantics and formal pragmatics at the ILLC. It has been reviewed twice (in 1995 and 2000) by an international review committee as part of the nation-wide review of research in philosophy in The Netherlands, and once by an international committee reviewing the ILLC (in 2006). On all three occasions the programme received the highest marks for quality and productivity.

4.2 Research organisations

- Institute for Logic, Language, and Computation (ILLC): co-initiator, deputy scientific director 1991–1996, scientific director 1998–2004
The ILLC is a multi-disciplinary research institute, founded in 1991 by the Department of Mathematics and Computer Science, the Department of Philosophy, and the Department of Computational Linguistics of the Universiteit van Amsterdam. The ILLC also runs a graduate programme and an MSc programme in logic.
- AIO-Netwerk voor Taal, Logica, en Informatie: co-initiator, member of the board 1988–1992
This national Dutch network organised and coordinated post-graduate teaching and research in semantics, logic, and theoretical computer science from 1988 until 1992. Recognised and funded by the Dutch Ministry of Education in 1988.
- Dutch Research School in Logic (OZSL), member of the board 1999–2001, chair 2001–2005
The OZSL organises and coordinates postgraduate teaching and research in semantics, logic, and theoretical computer science. Recognised by the Dutch Royal Academy of Sciences in 1992.
- Foundation for Logic, Language and Information (FoLLI): co-initiator, member of the board, executive officer conferences 1989–1992
FoLLI is the European organisation for the advancement of research and postgraduate teaching in logic, semantics, and theoretical computer science. Among others it organises the yearly European Summer School in Logic, Language and Information.
- Cognitive Science Centre Amsterdam (CSCA): co-initiator, member of the board 2001–2004, 2009–2010
CSCA bundles research in cognitive science in Amsterdam, on a broad scale, ranging from neurobiology and cognitive psychology to linguistics and logic.

4.3 Funding organisations

Netherlands Organisation for Scientific Research (NWO)

- Committee for programmatic research: member 2000–2001, chair 2002–2003
- Committee for PIONIER grants, chair 2001–2002
- Board of the Humanities Division, member 2003–2004, chair 2004–2009
Activities as chair of the Board of the Humanities Division included:
 - ‘Alfa-beraad’ of the humanities divisions of KNAW, NWO and VSNU: chair 2004–2009
 - ‘Talent’ scholarships committee of NWO: member 2004–2006
 - National initiative ‘Brain and Cognition’: co-initiator, member 2005–2008
 - Steering committee of the ‘Socially Responsible Innovation’ programme: chair 2008–2009
- Committee of the ‘Horizon’ programme for innovative thematic research: chair 2009–2012
- Open Science Fund: chair 2021

Koninklijke Akademie voor Wetenschappen (KNAW)

- China Committee of KNAW/NWO: chair 2011–present
- KNAW/NVAO accreditation committee for research master programmes in the humanities in the Netherlands and Belgium: chair 2010–2015
- New members selection committee: member 2011–2014

Humanities in the European Research Area (HERA)

- Steering Committee and Network Board: chair 2003–2007, member 2007–2009
- Joint Research Projects Board of the HERA-network: member 2007–2009
- Quality Assurance Committee of HERA’s JRP Board: chair, 2008–2009

The HERA-network is network of Humanities Funding Agencies from 21 countries, funded under the ERA-net scheme by the European Union. One of its initiatives is the Joint Research Projects, which are large-scale (> 25M euro, common pot), theme-oriented projects in the humanities.

European Science Foundation (ESF)

- Member 2005–2009, Standing Committee for the Humanities of the European Science Foundation (representative of NWO and the KNAW).
Activities as SCH-member included:
 - Research Networks Advisory Group: member 2006, 2008
 - Forward Looks Advisory Group: member 2007
 - Eurocores Themes Assessment Committee: member 2007, 2008
 - Exploratory Workshops Advisory Group: member 2007, 2009, chair 2008
 - INIF project on Affective Science: co-initiator, member 2006–2009
 - SCH Foresight Working Group: member 2005–2009
- Eurocores Programmes Review College: member 2010–2014
- ESF Pool of Reviewers: member 2010–present
- Review Panel of the Eurocores Programme ‘Understanding and Misunderstanding’: member 2010–2014,
- Review Panel of the Eurocores Programme ‘Consciousness in a Natural and Cultural Context’: chair 2005–2010

European Research Council (ERC)

- Scientific Council: member 2014–2019
- Vice-president, domain coordinator Social Sciences and Humanities and member of the ERC Board: 2017–2019
 - Activities include:
 - Standing Committee on Panels, member 2014–2019
 - Standing Committee on Conflict of Interests, Scientific Misconduct, and Ethics, member 2016–2019
 - Working Group on Key Performance Indicators, member 2014–2017
 - Working Group on Open Access, member 2014–2015, chair 2016–2019
 - Working Group on Strengthening International Participation, member 2014–2019
 - Working Group on Innovation and Relations with Industry, observer 2014–2019
 - Working Group Science Behind the Projects, member 2015–2019
 - Taskforce Interdisciplinarity, chair 2015–2018
 - Taskforce Ethics Review, member 2017–2018
- Starting Grants Review Panel: member 2010–2013

4.4 Miscellaneous

- International Assessment Board of the Graduate Research Education Programme, Irish Research Council for Science, Engineering and Technology and Irish Research Council for Humanities and Social Sciences: member 2007
- International Assessment Board of the Senior Research and Research Fellowships Scheme, Irish Research Council for Humanities and Social Sciences: member 2008, 2009, 2011, 2012, 2019, 2020
- CSP Torino-Piemonte Peer Review Exercise, Humanities Panel: member, 2012
- FP7, SSH Call on multilingualism Review Panel: member 2013
- International Assessment Board of the Senior Research and Research Fellowships Scheme, Irish Research Council: member 2013
- FCT (Fundação para Ciência e a Tecnologia, Portugal) Review Exercise: member, 2014, 2019, 2020, 2021
- Research Council of the Universiteit van Amsterdam: member 2004–2006, chair 2007–2010
- EURIAS Fellowship Programme Review Panel: member 2012–2018
- Advisory Board Institut d'études avancées de Paris, 2018–present
- Mid-term review committee of the ZENO-institute for philosophical research, Utrecht University: chair 2008
- Research assessment committee of the Research Institute for Philosophy, Theology and Religious Studies, Radboud University Nijmegen: chair 2013
- Mid-term review committee of the Department of Industrial Engineering & Innovation Sciences, Technical University Eindhoven: chair 2015
- Mid-term review committee of the joint Classical Studies research master programme of the Free University Amsterdam and the University of Amsterdam: chair 2016
- Review committee of the PPE master programme of the University of Groningen: chair 2016
- Review committee of philosophy curricula in the Netherlands: chair 2017 – 2018, 2019
- Ad hoc chair of various NWO committees

4.5 Externally Funded Research Projects

- PhD-project ‘Indexicality and Context’, 1982–1986, funded by the Dutch National Science Foundation (NWO), carried out by F. Landman [with R. Bartsch, J. Groenendijk].
- PhD-project ‘Flexibility in Syntax and Semantics’, 1988–1992, funded by the Dutch National Science Foundation (NWO), carried out by H. Hendriks, P. Dekker [with J. Groenendijk].
- PhD-project ‘Wittgenstein: Rules, Representations and Reductions’, 1992–1996, funded by the Dutch National Science Foundation (NWO), carried out by H. Stein.
- Research programme DYANA: member of the management team 1992–1995. Esprit Basic Research Action, funded by the European Commission: Partners: ILLC, Amsterdam; Centre for Cognitive Science, Edinburgh; Institut für maschinelle Sprachverarbeitung, Stuttgart; Seminar für Sprachwissenschaft, Tübingen; Centrum für Informations- und Sprachforschung, Munich; Research Institute for Language and Speech, Utrecht; Department of Linguistics and Philosophy, Oslo. The project ran from 1989 until 1995.
- Research programme ‘Sources and Streams of Information: Towards a Logical Analysis of the Dynamics of Discourse’: programme manager 1997–1999. Funded by the Dutch National Science Foundation (NWO). Partners: ILLC, Amsterdam; Department of Philosophy, Utrecht University; Department of Linguistics, Katholieke Universiteit Brabant. The programme employed various postdocs and PhD students, and ran from 1997–2001.
- Post-doctoral fellowship dr. H.P. Stein, 1999–2002, funded by the Dutch National Science Foundation (NWO).
- PhD-project ‘Solution Concepts in Game Theory’, 2000–2004, funded by the Dutch National Science Foundation (NWO), carried out by B. de Bruin [with J. van Benthem].
- Post-doctoral fellowship dr. J. Maat, 2001–2004, funded by the Dutch National Science Foundation (NWO).
- Programme ‘Prolegomena to a Future Semantics’, 2003–2007, 2 PhD projects, funded by the Central Research Fund for Excellent Research of the Universiteit van Amsterdam.
- EuroCores programme Understanding and Misunderstanding (a.k.a. EuroUnderstanding): co-initiator
- Marie-Curie Training Fellowship for Tamara Dobler, 2015–2017

4.6 Conferences

- Amsterdam Colloquium, 1976–2001
The Amsterdam Colloquium is a series of bi-annual, international conferences on semantics which started in 1976. The 18th instalment took place in December 2011. It is the oldest and one of the biggest conference series in the field of semantics. Funding comes from the Royal Dutch Academy of Sciences (KNAW), the Dutch National Science Foundation (NWO), and the departments involved in the ILLC.
- Amsterdam-Bucharest Exchange, Amsterdam 1993
- Proposal for Conferences series on logic, language and information, Autrans, 1992, Espinho 1995; funded by the European Science Foundation
- Workshop ‘Neurophenomenology’, November 2004 [with E. Rietveld]

- Workshop ‘The generosity of artificial languages from an Asian perspective’, May 2006, funded by NWO and IIAS [with J. van Benthem, R. Dijkgraaf, F. Staal]
- Workshop ‘Everyday expertise’, October 2006, funded by NWO, CSCA and UCE Birmingham [with E. Rietveld, R. Moore]
- Programme Committee ESF-COST Conference on Complex Systems: Darwin and Evolution, Barcelona, September 2009, funded by ESF and COST

5 Teaching

5.1 Graduate and Undergraduate Teaching

Courses and seminars on both undergraduate and graduate levels in logic, philosophy of language, semantics.

Regular courses at the undergraduate level

Introduction to logic / Introduction to philosophy of language / Advanced logic for semantics / Logical grammar / Formal pragmatics.

Graduate level courses and seminars in semantics

The Chomskyan paradigm / Generalised quantifier theory / Discourse semantics / Categorical grammar / Tense and aspect / Plurals / Questions and answers / Scope and anaphora / Propositional attitudes / Situation semantics / Dynamic semantics / Focus & background and discourse coherence.

Graduate level courses and seminars in philosophy of language

The historical background of intensional semantics (Frege, Carnap, Hintikka, Kripke) / Frege: semantics and philosophy of language / The theory of direct reference (Kaplan, Kripke, Putnam, Donnellan, Salmon) / Convention and game-theory (Lewis) / Chinese and western philosophy of language [with K. van der Leeuw] / Radical interpretation, hermeneutics, and ‘forms of life’ (Quine, Davidson, Wittgenstein, Heidegger, Gadamer, Schatzki) / Stanley Cavell’s *The Claim of Reason* / Neuropsychology / The philosophy of Donald Davidson / Contextualism in epistemology and philosophy of language / Philosophy of semantics.

Graduate level courses and seminars on Wittgenstein

Ontology and ethics in Wittgenstein’s *Tractatus* / Wittgenstein’s rule following considerations and its impact on linguistics / Wittgenstein’s *On Certainty* and Putnam’s internal realism / Wittgenstein, Heidegger and the deconstruction of metaphysics [with H. de Vries] / Ethics and ontology in Wittgenstein’s later work / Wittgenstein’s *Remarks on the Philosophy of Psychology*.

Tutorials

Wittgenstein and Heidegger [with R. Sonderegger] / Wittgenstein's philosophy of psychology / Wittgenstein's philosophy of mathematics / Quine and Davidson / Neurophenomenology / Theories of truth [with C. Skirke] / Wittgenstein and Quine / Wittgenstein's Tractatus /

5.2 MA/MSc Thesis Supervision

Supervisor of the following MA/MSc theses:

[Unless stated otherwise, all theses are MA theses in philosophy at the Universiteit van Amsterdam; Master of Logic theses are MSc theses]

5.5 Other Teaching Activities

- Lectures and workshops on the philosophy of Wittgenstein for philosophy teachers in primary and secondary education
- Lectures on topics in philosophy of language and epistemology for Studium Generale programmes ('general studies program') at the Universiteit van Amsterdam, Universiteit Leiden, Radboud Universiteit Nijmegen, Technische Universiteit Eindhoven, Universiteit Maastricht, Universiteit Utrecht.

6 Other Administrative Positions

6.1 Universiteit van Amsterdam

- Member of the Board and of the Council of the Faculty of Philosophy for several years
- Member and chair of numerous faculty committees and appointment committees, in the Faculty of Philosophy, in the Department of Computational Linguistics of the Faculty of Arts and Letters, and in the Faculty of Humanities.
- Chair in 2005 and 2007 of the committee for the appointment of associate professors in the Faculty of Humanities.
- From 1992–1995 I was in charge of the undergraduate curriculum of the Faculty of Philosophy. During these years an extensive evaluation and a major reorganisation of the contents and structure of the undergraduate program was carried out.

6.2 Nationally

- 'Begeleidingscommissie Filosofie in het Voortgezet Onderwijs': chair 1996–1999
Committee of the Ministry of Education. It advises the Minister of Education about philosophy in Dutch secondary education. The committee is responsible for the definition of the curriculum, it defines the obligatory topics for the final examinations, is involved in post-graduate schooling of philosophy teachers, and organises other activities that help to promote philosophy in secondary education.
- 'Coördinatiecommissie Omscholing Filosofie': chair 1997–1999
Committee of the Ministry of Education. It is responsible for the training of philosophy teachers in secondary education. This committee is in charge of the training program, it oversees its execution and is responsible for the awarding of degrees.
