Phone: +880 1727 205 450 | Email: aisudin@yahoo.com

Career Objective

To leverage my expertise in translation, web development, and content creation to deliver impactful solutions for organizations while pursuing continuous professional growth.

Experience

Translator / Consultant | 2003 – Present

- Provide high-quality translations between Bengali and English for academic, policy, and organizational documents.
- Collaborate with clients such as BRAC University (BIGD), London School of Economics, IFPRI, WaterAid, Naripokkho, and others.
- Edit and proofread translations to ensure accuracy, clarity, and cultural sensitivity.
- Coordinate with researchers and organizations to meet deadlines.
- Translate course materials and web content of the FORB Learning Platform into Bengali.

Founder & Owner, Positronic Dream | 2008 – 2025

- Design and develop websites and online platforms.
- Write, edit, and publish digital content tailored to diverse audiences.
- Conduct SEO and social media marketing to increase visibility.
- Manage affiliate marketing campaigns and monetize content.
- Ensure quality control and user engagement optimization.

Senior Web Programmer, Solar Software Limited | 2004 – 2009

- Led web and software development projects using PHP, MySQL, Java, and JavaScript.
- Designed and implemented customized client solutions.
- Maintained and upgraded software systems for performance.
- Supervised QA and testing processes.
- Delivered projects in collaboration with cross-functional teams.

Webmaster / Reviewer, Zhou (oDesk) | 2011 – 2016

- Managed websites including design updates and performance optimization.
- Reviewed and improved content for readability and SEO.
- Provided technical support for online platforms.
