PROFESSIONAL PROFILE

Dedicated researcher and educator with extensive experience in philosophical analysis, particularly within the Philosophy of Technology and Metaphysics. Proven track record in academic research, editorial management, and university-level teaching.

EDUCATION

MA in Philosophy | Universidad del Atlántico (2018–2022)

BA in Philosophy | Universidad del Atlántico (2013–2018)

Diploma in University Teaching (Humanities Emphasis) | Universidad del Atlántico (2017)

Editorial Text Review Certification | Universidad El Bosque (2019)

ACADEMIC & RESEARCH EXPERIENCE

Research Assistant | Intellectus Graecus Latinus Group Universidad del Atlántico

Focused on research areas including Metaphysics and the Philosophy of Technology. Contributed to the development of coherent solutions to complex philosophical problems through rigorous bibliographic analysis

University Lecturer | Universidad del Atlántico (Multiple periods between 2019 – 2024)

I taught specialized courses including Philosophy of Technology and Social Innovation, Ancient Philosophy, Medieval Philosophy, and the Julio Enrique Blanco Chair.

Occasional Lecturer | UNAD (Universidad Nacional Abierta y a Distancia) (Oct 2024 – Feb 2025)

Served within the School of Social Sciences, Arts, and Humanities.

EDITORIAL EXPERIENCE

Editor-in-Chief | Revista Manglar (Online Cultural Magazine) (Aug 2020 – Mar 2021).

Book Editor | Estudios filosóficos en ciencia, tecnología y sociedad (Published by Universidad del Atlántico, 2018).
