 - Co-Lead, “Infusing Diversity Curriculum Committee,” part of the Presidential “Eradicating Racism” Initiative (2020-21)
 - Co-Chair: University Middle Steering Committee (2018-2020), together with Kate Schaffzin, Interim Dean of Law. By invitation of and reporting directly to the President, Dr. M. David Rudd. Charged with designing and implementing a comprehensive vision for a new laboratory middle school. This required working with Shelby County Schools Superintendent Chief Officer, and all level of staff, as well as University of Memphis Chiefs of Finance, Operations, Information, and Legal, to write and secure the MOU Agreement for operation of the school from the County. Major responsibilities included overseeing or assisting, and coordinating and reporting on: benchmark research; public opinion surveys (teachers, parents, students, administrators); curriculum design; budget planning; admissions and enrollment policy; recruitment of students; website and media design; hiring of School Director, faculty and staff; building and construction design and planning; public outreach and community partnership planning. In this role I also serve as the primary liaison between SCS and the University of Memphis, leading presentations to SCS Committees and the Superintendent’s Cabinet, as well as to the campus community, in particular to parents of students enrolled in Campus Elementary.

The committee executed a wide benchmark study and reported on everything from website and media strategies to culture to tenure guideline to government relations strategy.
