Present Appointment

Professor Emeritus in Computer Ethics (lifetime appointment),
Centre for Computing and Social Responsibility
Faculty of Computing, Engineering and Media
De Montfort University
The Gateway
Leicester LE1 9BH

Qualifications (Academic and Professional)

FBCS	BCS, The Chartered Institute of IT (formerly the British Computer Society)	2004
FRSA	Royal Society for the encouragement of Arts, Manufactures and Commerce	1996
FIMIS	Institute for the Management of Information Systems (formerly IDPM)	1995
MIDPM	Institute for the Management of Information Systems	1986
MCMI	The Chartered Management Institute (formerly Institute of Management)	1980
BSc	Computational Science, University of Dundee	1972

Training courses completed

Matrix programme, Common Purpose	2004
Research supervision, De Montfort University	2003
Industrial training courses: Fortran IV, Fortran 77, ICL Plan, IBM Assembler DOS VS, Systems Analysis & Design, Database Design, Project Management, Financial Aspect of Data Processing, Business Practice, Time Management	1972-1983

Awards

Transforming Lives (Global) Bridge Alumni Award, University of Dundee, shortlisted	2023
ACM Recognition of Service Award for contributions to the 2018 ACM Code of Ethics and Professional Conduct	2018
25 Year Long Service Award, De Montfort University (1983-2008) Presented 12 March	2009
Research Informed Teaching Award, De Montfort University for “Blended experiential	2007

learning in computer technology professionalism" joint award with Tugrul Essendal

International Pioneer and Diversity Award, International Health Foundation and Policy Study Institution on Muslim Health 2006

ACM SIGCAS "Making a Difference" Award 2005

The 2003 World Technology Award for Ethics, finalist 2003

Honorary Certificate in Data Protection, British Computer Society for his development of the ISEB data protection qualification 2003

IFIP Working Group 9.2 Namur Award for outstanding contribution to the creation of awareness of the social implications of information technology 1999

IEEE Certificate of Appreciation for contributions to the development of the code of ethics for software engineering 1998

Memberships of External Bodies (Including Validating and Professional Bodies)

Current

STEM Ambassador, National STEM Learning Centre 2023-

Editor Emeritus, Journal of Information, Communication and Ethics in Society, Emerald Publishing 2022-

Honorary Adviser, iEthics - The Computer Ethics Society, Hong Kong 2012-

Member of the u3a 2011-

Member of the Editorial Board of Ethical Space 2003-

Member of the Committee on Professional Ethics (COPE), ACM 2007-

Member of the Editorial Board of Ethics and Information Technology, Springer 1998-

Member of the ACM - the First Society in Computing 1996-

Previous

Member of the Ethics Committee, West Midlands Police 2022-2025

Member of the Editorial Board of Palgrave Studies in Digital Inequalities 2021-2023

Editor in Chief of Journal of Information, Communication and Ethics in Society, Emerald Publishing 2002-2021

Member of Emerald Open Research Advisory Board – Digital World Gateway 2018-2020

Member of the Editorial Board of the Australian Journal of Professional and Applied Ethics 1999-2010

Member of the Association of Information Systems 2017-2019

Member of International Editorial Review Board of International Journal of Cyber Ethics in Education (IJCEE), IGI Publishing 2009-2016

Co-director of the ETHICOMP conference series 1995-2015

Vice President of Rotary Club of Buxton 2013-2015

Member of Rotary International 2012-2015

Vice President, Institute for the Management of Information Systems 2000-2014

Chair of Council, Institute for the Management of Information Systems 2009-2013

Co-Editor, The ETHICOMP Journal 2004-2013

Member of BCS Ethics Group, BCS, The Chartered Institute of IT 2006-2013

Member of the Advisory Board for the Research Center on Computing and Society, Southern Connecticut State University 1995-2013

Member of Council, Institute for the Management of Information Systems 2005-2009

Member of the Editorial Board of Telematics & Informatics, Elsevier 2001-2009

Member of PITCOM (Parliamentary IT Committee), UK 1993-2009

Member of the Editorial Board of e-Business Strategy Management, Winthrop Publications Limited 1999-2008

Board member, International Society for Ethics and Information Technology 2000-2007

Member of the Ethics Committee, British Computer Society 1999-2006

Member of UK Academy for Information Systems		1995-2006
Member of the Editorial Review Board of the Journal of Global Information Management, Idea Group Publishing		1998-2005
IMIS Member of Education Committee		1988-2004
Corporation Member (Governor), Leicester College		1999-2002
Chair of Core Business Committee, Leicester College		1999-2002
Member of the Business Council of *Inter*forum		1998-2000
Executive member of IEEE-CS/ACM working group on Software Engineering Ethics and Professional Practices		1995-2000
Member of the Data Protection Board, ISEB, British Computer Society		1998-2001
Corporation Member (Governor), Charles Keene College		1990-1999
Member of Joint Merger Group, Charles Keene College		1998-1999
Member of Finance and General Purposes Committee, Charles Keene College		1996-1999
Member of Personnel and Employment Policy Committee, Charles Keene College		1991-1996
Member of Incorporation Committee, Charles Keene College		1992-1993
Governor, Charles Keene College		1990-1999
Member of Computer Consultative Committee, Charles Keene College		1989-1993
Vice Chairman, Leicestershire Professional Organisations Association		1990-1991
IMIS Member of Council		1988-1990
IMIS East Midlands Branch Committee	- Founder Chairman	1986-1989
	- Committee Member	1986-1991

Industrial and Professional Employment

De Montfort University	Professor Emeritus	2010-
De Montfort University	Professor in Computer Ethics	1998-2010
De Montfort University	Director of Centre for Computing and Social Responsibility	1995-2010
Charles Sturt University	Visiting Research Professorship, the Centre for Applied Philosophy and Public Ethics, Canberra, Australia	2005-2006
De Montfort University	Acting Head of Department of Information Systems	2001- 2002
De Montfort University	Principal Lecturer	1988-1995
Leicester Polytechnic	Senior Lecturer	1983-1988
Thorn EMI Plc	Computer Services Manager	1981-1983
Thorn EMI Plc	Technical Systems Manager	1976-1981
Thorn Lighting Ltd	Programmer to Senior Systems Analyst	1972-1976

Main Teaching Areas until 2010

Computer and Information Ethics (level 6)
Professionalism (level 6, 7)
Research Ethics (level 7)
Supervision of doctoral students (level 7)
Strategic Planning
Systems Development Management
Project Management
Management Support Systems
Supervision of MSc by Independent Study students in Information Systems discipline
Project Supervision for final year undergraduate and taught Master's postgraduate students

Administrative Responsibilities until 2010

Member of the Department of Informatics Management Group	2008-2010
Member of the Faculty Higher Degrees Committee	2004-2010
Member of the Business & Law Faculty Higher Degrees Committee	2008-2010
Member of the Faculty Research Committee	1993-1995, 2000-2010
Staff appraiser	1992-2010
Member of the University Human Research Ethics Committee	2000-2005
Chair of the Faculty Human Ethics Research Committee	2000-2005
Member of the University's Masters by Independent Study Board	1998-2001
Member of the University's Information Systems Community Committee	1995-1998
Student mentor BSc Computer Science	1995-1999
Member of Department of Information Systems Research Committee	1992-1995
Member of BA/BSc Business Information Systems Board of Study and Examination Board	1990-1997
Enterprise Industrial Liaison Co-ordinator	1990-1994
Course and Curriculum Development Manager	1988-1994
Member of BSc Computer Science Board of Study and Examination Board	1983-1994
BA/BSc Business Information Systems – Founding Course Leader	1990-1992
Member of BSc Combined Studies Computing Subject Committee	1988-1992
Member of PGD Computer Studies Board of Study and Examination Board	1983-1992
Member of MSc Computing Board of Study and Examination Board	1983-1991
Member of Polytechnic Library Committee	1988-1989
MSc in Computing - Course Leader	1985-1989

External Examinerships

External examiner (Faculty Opponent) of PhD candidate, Uppsala University, Sweden	2020
External examiner of PhD candidate, Wrexham Glyndŵr University	2019
External examiner of PhD candidate, Leeds Beckett University	2018
External examiner of PhD candidate, Wrexham Glyndŵr University	2018
External examiner of PhD candidate, Coventry University	2017
External examiner of PhD candidate, The University of Salford	2013
External examiner of PhD candidate, The University of Manchester	2013
External examiner of PhD candidate, The University of Sheffield	2012
External examiner of PhD candidate, The University of Manchester	2011
External examiner of PhD candidate, Charles Sturt University, Australia	2010
External examiner of PhD candidate, University of Leicester	2010
External examiner of PhD candidate, Charles Sturt University, Australia	2009
External examiner of PhD candidate, Roehamptom University	2009
External examiner of PhD candidate, Queensland University of Technology	2009
External examiner (Faculty Opponent) of PhD candidate, Radboud University, Nijmegen, The Netherlands	2008
External examiner of PhD candidate, Middlesex University	2006
External examiner of PhD candidate, The University of Manchester	2006
External examiner of PhD candidate, Middlesex University	2005
External examiner of PhD candidate, University of South Australia	2004
External examiner of PhD candidate, University of Central England	2004
External examiner of PhD candidate, Middlesex University	2001
External examiner, BSc Computing programmes, Glasgow Caledonian University	2003-2007
External Examiner, MSc Information Systems, University of Salford	2000-2004
External Examiner, MSc Computer Based Information Systems and MSc Management of Information Systems, University of Sunderland	2000-2004

Chief External Moderator, Graduate Diploma, Institute for the Management of Information Systems	1999-2006
Chief External Examiner, BSc (Hons) Business Information Systems, University of Wolverhampton	1995-1999
External Examiner, BA (Hons) Accounting Information Technology, Staffordshire University	1995-1998
Chief Examiner, Business School Undergraduate Modular Programme, University of Hertfordshire	1994-1997
Specialist assessor in Computer Science/Studies, HEFCE	1993-1995
Project Supervisor for CATS MSc student - registered with CNAA	1990-1991
External examiner, Advanced Certificate in Computer Studies, Sheffield Hallam University	1989-1993
(Internal Examiner for 12 PhD candidates in Faculty of Business & Law and Faculty of Technology)	2005-2014
(Internal Examiner for 1 PhD candidate in Faculty of Computing, Engineering & Media)	2019

Research

Current primary research focus

Ethics and professionalism in ICT planning, development and application which commenced in 1994 and includes the following activities since then:

- PHM-Ethics - Personalized health monitoring - Interdisciplinary research to analyse the relationship between ethics, law and psychosocial as well as medical sciences (EU FP7-SCIENCE IN-SOCIETY-2008-1, grant agreement 230602, €1000,000, 2009-2012)
- ETICA - Ethical Issues of Emerging ICT Applications (EU FP7-SCIENCE IN-SOCIETY-2008-1, grant agreement 230318, €900,000, 2009-2011)
- Online researcher education (HEFCE Roberts funding, £26,000, 2009-2010)
- Disability and Digital Technology Project, led by Prof A Hugill, (RIF DMU funding, £10,000, 2009-2010)
- Research ethics doctoral education (HEFCE Roberts funding, £21,600, 2008-2009)
- Reflective experiential learning research (RITA DMU funding, £10,000, 2007-2008)
- Teaching Computer Ethics in China (Research Informed Teaching DMU funding, £1,100, 2006-2007)
- Ethics perception longitudinal survey of IT professionals (IMIS, £30,000, 2004-2010)
- Online computer ethics tool funded by East Midlands Development Agency(£11500, 2004-2005).
- Evaluation of ICT and Social Inclusion programmes funded by Office of the Deputy Prime Minister, UK Government (£65000, 2003-2004).
- Computer ethics knowledge dissemination in Poland funded by British Council (£5000, 2003).
- The Implementation of Electronic Voting funded by UK Government (LGR 65/12/72, £90000, 2001-2002)
- Advances in Social Responsibility in the Information Age, funded by ESRC (R451 26 4624 97, £16000, 1999-2000)
- Life Stories of Moral Exemplars in Computing: A Cross-Cultural Analysis, collaborative funding from the National Science Foundation in USA, led by Prof C Huff, St Olaf College (SGER)
- Ethically sensitive information systems development and project management approaches, collaborative funding from the National Science Foundation in USA (SGER 9874684) and the US software industry
- Code of Ethics for Software Engineers, funded by ACM/IEEE
- Business Ethics on the Internet, funded by Business Ethics: A European Review

- Ethics perception survey, funded by IMIS
- Code of Conduct for Computing Professionals, funded by IMIS
- Collaboration with University of Edinburgh University on "Privacy Protection in the Virtual Society", funded by ESRC (L132251019)
- The computer ethics discipline - ETHICOMP95 sponsorship from Pitman Publishing, IDPM and IAM; Etica e Informatica sponsorship from Universidad Complutense de Madrid; ETHICOMP96 sponsorship from Ministerio de Educacion y Cultura, Comunidad Autonoma de Madrid, Banco Central Hispano, El Corte Ingles, Mapfre and IBM; ETHICOMP98 sponsorship from Erasmus University, The Netherlands; ETHICOMP99 sponsorship from LUISS Guido Carli University, Rome, Italy; ETHICOMP 2001 sponsorship from British Council and IMIS.
- Corporate computer ethics, funded by the Institute of Business Ethics
- RSI Prevention in HE: theory and practice, funded by JISC through DISinHE

Wu, X., Understanding ethical aspects of information systems development practices. (PhD 2002)

Previous research activities

Development of a framework for classifying strategic systems planning (SISP) methodologies	1993-1997
Strategic project management	1993-1994
Innovative higher education in applied informatics for business and technical skills, funded by TEMPUS	1992-1995
Investigation into Management Support Systems practices in UK based	

organisations 1991-1995
Investigation into technological education transfer to Poland, funded by TEMPUS (JEP3470) 1991
Investigation of joint Information Systems degree with European Partners, funded by ERASMUS 1990

Consultancy and Professional Practice

Evaluation committee member of " Virtual and Hybrid Worlds 2024", the Austrian Research Promotion Agency (FFG) 2025
Adviser to BCS Foundation Certificate in the Ethical Build of AI development 2023-2024
Reviewer for European Journal of Information Systems 2023
Evaluation committee member of "Digital Technologies 2022", the Austrian Research Promotion Agency (FFG) 2023
Book review for CRC Press 2023
“Let’s Explore Digital Technology” poetry competition creator and organiser, PoetrySoup 2022
Book review for Springer 2022
Reviewer of papers for ETHICOMP 2022 2022
Digital ethics workshop observer, JAAG pilot 2022
Reviewer for ACM Inroads 2022
European Research Council (ERC) remote referee for ERC funding calls 2021
Reviewer of papers for ETHICOMP 2021 2021
Evaluation committee member of the ICT of the Future - 8th Call, the Austrian Research Promotion Agency (FFG) 2020
Reviewer of papers for ETHICOMP 2020 2019
Reviewer of a Working Group report from ACM Global Computing Education Conference (CompEd 2019) 2019
Reviewer for Computer, IEEE flagship publication 2019
European Research Council (ERC) remote referee for ERC funding calls 2019
Professorial assessment, Charles Sturt University, Australia 2018
Review papers for ETHICOMP 2018 2018
Member of the Ethics Board, SAFECARE - SAFEguard of Critical heAlth infrastructuRE, Horizon 2020 - Research and Innovation Framework Programme 2018-2021.
Evaluation of revised ACM Code of Ethics 2017-2018
Professorial assessment, Charles Sturt University, Australia 2016
Evaluation of academic research, AL al-Bayt University, Jordan 2016
Referee paper for AI & Society, Springer 2016
Student mentor at CEPE 2013, Lisbon 2013
Computer training courses for U3A Buxton “Demystifying Computers” 2012
Guest editor of ACM SIGCAS Computers and Society, Vol. 40, No. 3 2010
Panel chair at Leading and Managing Change Successfully in Higher Education De Montfort University, 8 July 2010
Guest co-editor of Journal of Information Systems Frontiers, Vol. 12, No. 4 2010
Invited participant in the thought leadership debate on Cloud Computing, BCS 23 November, London 2009
Social Impact of Computing Summer School, Gdansk University of Technology, Poland 18-23 July 2009
Member of the Ethics Advisory Board of UMSIC; Usability of Music for Social Inclusion of Children FP7-European funded research project (grant agreement 224561) 2008-2011

Member of the MOTIVE research grant application assessment panel, Academy of Finland, October	2008
Judge, Computer Weekly's Best Places to Work in IT Awards '08	2008
Track Chair, Saudi International Conference Innovation Conference, University of Leeds, 09-10 June	2008
Facilitator and Chair at the Ethics and e-Inclusion Workshop, Bled, Slovenia, Information Society and Media Directorate-General, European Commission, 12 May	2008
Member of the delegation of 8 British academics to Future Directions of Web Interaction, Bar-Ilan University, Israel, funded by Friends of Israel - Academic Study Group	2007
Member of the FP6 research monitoring panel for the European Commission	2006
Author of the ethics guidelines for FP7 applications, European Commission	2005-2006
Panel Member, eGovernment Question Time, The University of Manchester, 22 November	2005
SoDIS workshop, NACQQ conference, New Zealand	2005
Member of the Ethical Review Panel of the European Commission	2005
Invited member of the Teaching Engineering Ethics Group, Royal Academy of Engineering	2004-2006
Invited participant of Workshop on Ethics and ICTs, 14-15 October European Commission, Information Society research	2004
Referee of ESRC grant application	2003
Leader of the Code of Practice task force for the British Computer Society	2003-2005
Invited participant of ‘Click, Debate, Connect - Fit For Success’ high-level Internet debate on ‘Agility’ - shaping business and public sector for the future	2002
Referee of EPSRC grant application	2001
Member of the EC working party on health websites	2001
Raporteur for ESRC regarding end of project review under the Virtual Society programme	2001
Pervasive technology think tank, Dept of Trade and Industry, UK Government	2000
e-Envoy Measures of Success Project, Cabinet Office, UK Government	2000
Member of the House of Lords second colloquium on the ethical and spiritual implications of the new IT and telecoms environment, The Worshipful Company of Information Technologists	2000
Adviser for “Safe passage: a director’s practical guide to information and communication security”, Protek	1999-2000
Expert Adviser for Opinion 13, Ethical Issues of Health Care in the Information Society, European Group on Ethics in Science and New Technologies	1999
Referee paper for Journal of Global Information Management	1999
Raporteur for ESRC regarding end of project review of large research project	1998
Member of the EURIM working party of Internet governance	1998-1999
Communication in research workshops, DMU	1998
The computer ethics seminars/workshops, Wagga Wagga and Melbourne, Australia	1998
Member of the House of Lords first colloquium on the ethical and spiritual implications of the new IT and telecoms environment, The Worshipful Company of Information Technologists	1997
One day course on Ethics in the Computing Curriculum	1997
Participant in "Virtually Social" project, Demos	1997
Referee grant application to Virtual Society programme, ESRC	1997
Member of the House of Lords colloquium on the ethical and spiritual	

implications of the new IT and telecoms environment, The Worshipful Company of Information Technologists	1997
Seminar on "The new information society and ethnic minorities in Britain (with special reference to the Muslim community), Islamic Centre, Leicester	1997
Review beta-version of cd-rom "Introduction to Computer Ethics", NSF funded project, USA	1997
Referee article for inclusion in the Encylopedia of Applied Ethics, Academic Press Inc,	1997
Participant at closed seminar on data matching, Office of the Data Protection Registrar	1996
Referee paper for Science and Engineering Ethics journal	1996
Multimedia information interface pilot project, Glenfield Hospital Trust	1996
IT Awareness Programme - Responsibilities of the IT user, Leicester City Council	1996
Validation panel member of MA Marketing Administration and MSc Strategic Marketing	1995
IS/IT progress monitoring for CEO, Business Link Leicestershire	1995-1996
IS/IT strategic plan formulation, Business Link Leicestershire	1995
IS/IT review, Business Link Lincolnshire	1995
Referee book manuscript (A Computerised Society), Pitman Publishing	1995
Referee Ethical Theory and IS Practice paper (Walsham), Information Systems Journal	1995
British Gas: data migration strategy	1994-1995
Time Management Seminar, MSc by Independent Study induction programme	1993,94,95,96
School Research Strategy formulation	1993
Session Leader, MSc by Independent Study: Mentor Away Day	1993
Validation panel member for BA/BSc Modular degree, Business Studies pathway at Bedford College of Higher Education	1993
IS exploratory visit to Spain	1993
European MSc Applied Informatics course development	1992-1993
Decision Support System for pricing policies, Adhesive Tape Manufacturer	1988-1992
Chair of validation panel for franchising of HND Business and Finance at Tresham College	1992
Chair of validation panel for franchising of HND Business and Finance at Peterborough Regional College	1992
Member of validation panel for Polytechnic Certificate in Applied Languages	1992
Member of AVMC working party for CATS in School of Engineering and Manufacture	1992
Member of ADC working party on Language Provision	1991
EHE project: teaching a second language	1992-1993
EHE project: industrial based case study	1992
EHE project: industrial associates network	1992-1994
Panel member on staff interviews for lecturing posts	1983-
Project Skills Workshop, Leicester Polytechnic	1991
Panel member for Polytechnic's Head of Management Services post	1991
Patients Records System Development, Leicestershire Health Authority	1989-1991
Recruitment Campaign, GEC PIC	1989-1991
Recruiting IT Personnel Workshop	1990
Development of training modules for NHS	1990
Member of BA Business Studies course validation panel	1990
Production Management System Development, Scott Bader Ltd	1986-1990
Super Project Expert Training courses, Leicestershire Health Authority	1989

MRP and MRPII strategy formulation and system evaluation, Textile machine manufacturer	1988
Member of Enterprise in High Education Working party	1988
Project Management Training Workshops, IDPM	1988
Data Protection Course, East Midlands Housing Association	1987
Framework Training Courses	1986
Member of Working Party 36, "The Sixth Faculty"	1986
IT training courses, Walkers Crisps	1984

Major Contributions to Conference Organisation

Member of the Scientific Committee, ETHICOMP 2025, Autonomous University of Lisbon Luís de Camões, Lisbon, Portugal September 17-19, 2025.

Member of the Scientific Committee, ETHICOMP 2024, La Rioja University, Logroño, La Rioja, Spain, March 13-15 2024.

Member of the Scientific Committee, ETHICOMP 2021, La Rioja University, Logroño, La Rioja, Spain, June 30 - July 2, 2021 (online conference).

Member of the Scientific Committee, ETHICOMP 2020, La Rioja University, Logroño, La Rioja, Spain, 17-19 June, 2020 (online conference).

Member of the Conference Advisory Board, “Finding solutions to societal problems”, 2nd SBRLab International Virtual Conference, 12-14 December 2018, Tarragona, Spain.

Associate Editor for track "Ethical Aspects of Emerging Information Communication Technologies”, ECIS 2018

ETHICOMP 2013 co-director, University of Southern Denmark, Kolding, Denmark, 2013

Member of the Conference Programme and Review Committee, UKAIS International Conference on Information Systems, 2013

Member of the programme committee, CEPE 2013, Autónoma University, Portugal, July 2013

ETHICOMP 2011 co-director, Sheffield Hallam University, Sheffield, UK, 2011

ECIS 2010 Associate Editor, Pretoria, South Africa, 2010

ETHICOMP 2010 co-director, Rovira and Virgili University, Tarragona, Spain, 2010

ECIS 2009 Associate Editor, Verona, Italy, 2009

ETHICOMP 2008 co-director, University of Pavia, Mantua, Italy, 2008

ETHICOMP 2007 co-director, Meiji University, Tokyo, Japan, 2007

Programme Committee Member, SAC 2006: Track on Computer Ethics and Human Values, The 21st ACM Symposium on Applied Computing, Dijon, France, 23-27 April 2006

ETHICOMP 2005 co-director, Linköping University, Sweden, 2005

ETHICOMP 2004 co-director, Athens University of Economics and Business, Greece, 2004

Programme committee member and track chair, 2004 IRMA International Conference

ETHICOMP 2002 co-director, Universidade Lusiada, Lisbon, Portugal, 2002

Member of the programme committee, 2002 IRMA International Conference, Seattle, Washington, USA, May 2002,

Programme committee member, BITWorld 2002, Ecuador, 2002

Member of the programme committee, CEPE’2001, Lancaster University, December 2001

Programme committee member, BITWorld 2001, Egypt, 2001

ETHICOMP 2001 co-director, Technical University of Gdansk, Poland, 2001

Member of the programme committee, CEPE’2000, Dartmouth College, USA, July 2000

Programme committee member, BITWorld 2000, Mexico, 2000

ETHICOMP 99 co-director, LUISS Guido Carli University, Rome, Italy, 1999

Programme committee member, BITWorld, South Africa, 1999

Member of the programme committee, Computer Ethics: Philosophical Enquiry (CEPE'98), ACM SIGCAS Conference, London School of Economics and Political Science, December 1998

ETHICOMP 98 co-director, Erasmus University, The Netherlands, 1998

Programme committee member, BITWorld, Delhi, India, 1998

Member of organising and programme committees, WiC'97, 1997

ETHICOMP 96 co-director, University of Salamanca in Madrid, 1996

Programme committee member, SFC'96, Science and the Future of Computing, sponsored by ACM and Los Alamos, USA, 1996

Programme committee member, PASE'96, University of Westminster, 1996

ETHICOMP 95 co-director, De Montfort University, 1995

Discussant and raporteur, Information Technology and New Emergent forms of organisations: IFIP WG8.2 Working Conference, University of Michigan, Ann Arbor, Michigan, USA, 11-13 August, 1994

Enterprise Learning Initiative Project Day, joint organiser, De Montfort University, 1992

IT Possibilities and Problems, joint conference organiser, De Montfort University 1987, 1988, 1989
