OUTREACH

Aside from studying philosophy on my own, I love engaging in philosophical discussions with other people. This is why I am currently one of the administrators of a philosophy YouTube [channel](#) and Telegram [group](#) in Italian. We periodically organise discussions on specific topics or papers, some of which you can also find on YouTube, either on the group’s official [channel](#) (@gruppo_filosofia) or my personal [one](#) (@andrea_salvador).
