

CURRICULUM VITAE

ROGER KOPPL

March 2026

BUSINESS ADDRESS

Department of Finance
721 University Avenue
Syracuse University
Syracuse, NY 13244
(315) 443-4543
rkoppl@syr.edu

EDUCATION

Ph.D. Auburn University
M.A. New York University
B.A. Cleveland State University

EXPERIENCE

Permanent positions

2013- present	Professor of Finance, Syracuse University
1998 – 2012	Professor of Economics and Finance, Fairleigh Dickinson University
1994 – 1998	Associate Professor, Fairleigh Dickinson University
1988 - 1994	Assistant Professor, Fairleigh Dickinson University
1983 - 1985	Instructor, Auburn University at Montgomery

Visiting positions

2024	Faculty Fellow, Center for Academic Pluralism
2016-2017	F. A. Hayek Distinguished Visiting Professor, George Mason University
2016, 2017	Visiting Professor, Vaasa Management Institute, University of Vaasa
2005	Visiting Scholar, Max Planck Institute, Jena
2003 – 2004	Visiting Scholar, George Mason University
2000	Visiting Professor, Copenhagen Business School

Other

2020-present	Associate Director, Institute for an Entrepreneurial Society
1994 – 2008	Faculty Associate, Program on the Foundations of the Market Economy, New York University
2006- 2012	Director (and founder) Institute for Forensic Science Administration
1988	Instructor, Auburn University

GRANTS, HONORS, AND AWARDS

External grants

Templeton World Charity Foundation (2022-2025) “Reforming scientific advisory bodies,” (\$231,000)

Charles Koch Foundation (2016-2019) “An Experimental Study of the Filler-Control Method in Forensic Science” (\$18,500)

National Science Foundation (2006-2010) (PI, Roger Koppl; Co-PIs Robert Kurzban & Lawrence Kobilinsky). “Democratic Epistemics in Lab-Based Processes” (\$130,717)

Earhart Foundation (2008) “Experiments in Support of Market Competition in Forensic Science,” (\$20,000)

Earhart Foundation (1996) “Research on Big Players,” (\$9,500)

Honors and awards

2025 Duncan Black Prize for best paper in *Public Choice* by a senior scholar awarded to Koppl et al. “Bespoke science: The use of ad hoc scientific advisory committees in the Covid-19 pandemic,” *Public Choice*, 2025, 205(3-4): 513-536.

Competitive Enterprise Institute, “Best Books of 2019: Expert Failure by Roger Koppl.”

<https://cei.org/blog/best-books-2019-expert-failure%C2%A0%C2%A0roger-koppl>

2016 Elinor Ostrom Prize for best paper in *Journal of Institutional Economics* awarded to Koppl et al. “Economics for a Creative World,” *Journal of Institutional Economics* 11(1): 1-31.

“Special recognition” from Pioneer Institute for “Cross-lab Redundancy in Forensic Science,” 2015 Better Government Competition.

Templeton Freedom Award, 2012, to National Center for Policy Analysis for Koppl-edited report, *Enterprise Programs: Freeing Entrepreneurs to Provide Essential Services for the Poor*, 2011

President, Society for the Development of Austrian Economics 2005

Annual best-book prize, Society for the Development of Austrian Economics 2003

H. B. Earhart Fellow, 1986-88

C. Lambe Fellow, Institute for Humane Studies, 1985-88

F. L. Hill Fellow, Institute for Humane Studies, 1985

Austrian Economics Fellow, New York University, 1980-83

PROFESSIONAL ACTIVITIES

Editorial Activities

Guest editor, *European Economic Review*, special issue on “*Explaining Technology: Critical Assessments*,” in process.

Series editor, *Advances in Austrian Economics*, JAI Press/Emerald, 2001–2014.

Book-review editor, *Journal of Economic Behavior and Organization*, 2004-2010.

Co-editor, with Mie Augier, of “Interview with Alfred Schutz, 20 November 1958,” *Schutzian Studies*, 2011, 3: 25-32.

Co-editor with Alain Marciano, special issue of *Journal of Economic Behavior and Organization*, “Charles Darwin’s Theory of Social Evolution,” 2009, 71(1).

Co-editor with Peter Boettke, special issue of *Review of Austrian Economics*, “Alfred Schutz and the Economists,” 2001, 14 (2/3).

Work in progress

Big Players and the Economic Theory of Expectations, revised edition, Palgrave Macmillan, forthcoming.

“In the mix: Organizational effectiveness and complex social issues,” Devin Stein, Maria Minniti, Roger Koppl, revise and resubmit, *Strategic Management Journal*.

“The Penrosean spinout: A new spin on the theory of the entrepreneurial firm,” Roger Koppl, Fabian Dias, Maria Minniti, under second review, *Journal of Business Venturing*.

“Multi-objective optimization for sustainable transitions: A modeling framework for system transformation,” Cris R. Hasan, John Crawford, Stuart Kauffman, Roger Koppl, Jonathan Lee, Demival Vasques, Edward Weinberger, under review, *Environment, Development and Sustainability*.

“The use of knowledge in open-ended systems,” Abigail Devereaux and Roger Koppl, arXiv:2412.00011, 2024.

Books

authored and co-authored

Explaining Technology, Lead author: Roger Koppl. Co-authors: Roberto Cazzolla Gatti, Abigail Devereaux, Brian D. Fath, James Herriot, Wim Hordijk, Stuart Kauffman, Robert E. Ulanowicz, and Sergi Valverde. Cambridge University Press, 2023.

Expert Failure, Cambridge University Press, 2018.

From Crisis to Confidence: Macroeconomics after the Crash, Hobart Paper 175, Institute of Economic Affairs, London, 2014.

Big Players and the Economic Theory of Expectations, London and New York: Palgrave Macmillan, 2002.

edited and co-edited

Entangled Political Economy Volume 18 of *Advances in Austrian Economics*, with Steven Horwitz. Bingley, UK: JAI Press, an imprint of Emerald Group Publishing, 2014.

Experts and Epistemic Monopoly Volume 17 of *Advances in Austrian Economics*, with Steven Horwitz and Laurent Dobuzinskis. Bingley, UK: JAI Press, an imprint of Emerald Group Publishing, 2012.

What is so Austrian about Austrian Economics? Volume 14 of *Advances in Austrian Economics*, with Steven Horwitz and Pierre Desroches. Bingley, UK: JAI Press, an imprint of Emerald Group Publishing, 2010.

Explorations in Austrian Economics, volume 11 of *Advances in Austrian Economics*, Bingley, UK: JAI Press, an imprint of Emerald Group Publishing, 2008.

Cognition and Economics, with Carine Krecké and Elisabeth Krecké, volume 9 of *Advances in Austrian Economics*, Amsterdam: JAI, an imprint of Elsevier Science, 2006.

Money and Markets: Essays in Honor of Leland Yeager, New York: Routledge, 2006.

Evolutionary Psychology and Economic Theory, volume 7 of *Advances in Austrian Economics*, Amsterdam: JAI, an imprint of Elsevier Science, 2004.

Austrian Economics and Entrepreneurial Studies, volume 6 of *Advances in Austrian Economics*, Amsterdam: JAI, an imprint of Elsevier Science, 2003.

Subjectivism and Economic Analysis: Essays in Memory of Ludwig Lachmann, with Gary Mongiovi, London and New York: Routledge, 1998.

Journal Articles

“Of ticks and tigers: Subjective event spaces in complexity economics,” *Journal of Evolutionary Economics*, forthcoming.

“On democracy and capitalism: Reflections on Gerhard Wegner’s historical analysis,” *Journal of Contextual Economics (Schmollers Jahrbuch)*, forthcoming.

“Bespoke science: The use of ad hoc scientific advisory committees in the Covid-19 pandemic,” Roger Koppl, Kira Pronin, Nick Cowen, Marta Podemska-Mikluch, Pablo Paniagua Prieto, *Public Choice*, 2025, 205(3-4): 513-536.

“How many democratic countries have conducted Covid-19 public inquiries? An exploratory study of government-led post-pandemic reviews (2020-2024),” Kevin Bardosh, Maximilien Lacour, Kira Pronin, Norma Correa Aste, Roger Koppl, *BMJ Public Health*, 2025, 3(2): e002567.

- “The twin hockey sticks of technological change: Applying Barkley Rosser’s theory of coupled systems,” *Review of Behavioral Economics*, 2025, 12(4): 395-423.
- “The levitating firm: Why the market for corporate control barely exists,” *The Independent Review*, 2025, 30(1): 97-117.
- “Comments on Butos and McQuade,” *Cosmos + Taxis*, 2025, 13(5+6): 59-66.
- “Of thoughts and things: How a new model of evolution explains the coevolution of culture and technology,” *Review of Evolutionary Political Economy*, 2025, 6(1): 215-238.
- “Creative evolution in economics,” Abigail Devereaux, Roger Koppl, Stuart Kauffman, *Journal of Evolutionary Economics*, 2024, 34: 489–514.
