- 2021–2023 PI (my contribution to the grant application: 100%): Horizon Postdoctoral Fellowships funding for a postdoc working on the SSHRC project: *Material Consequence as the Foundation of Logic*. CAD 100,000 over two years
- 2020–2025 PI (my contribution to the grant application: 100%): SSHRC Insight Grant: *Material Consequence as the Foundation of Logic*. CAD 95,283 over five years
- 2022–2027 Co-applicant (my contribution to the grant application: 20%): *Fonds de recherche du Québec: Société et culture* (FRQSC): Research Team Support Program. Team: *Groupe de recherche interuniversitaire sur la normativité*. PI: Aude Bandini (Université de Montréal); co-applicants: Katharina Nieswandt (Concordia University) and Catherine Rioux (Université Laval). CAD 443,000 over three years
- 2020–2024 Co-applicant (my contribution to the grant application: 20%): Czech Science Foundation (EXPRO). *Inferentialism Naturalized: Norms, Meanings and Reasons in the Natural World*. PI: Jaroslav Peregrin (Czech Academy of Sciences); co-applicants: Ladislav Koreň (University of Hradec Králové), Mark Risjord (Emory University). CZK 21,516,000 \approx CAD 1,232,608 over five years
- 2019–2021 Co-applicant (my contribution to the grant application: 20%): SSHRC Insight Development Grant: *Brilliant Thinkers, Empathic Therapists? What Explains the Gender Gap in Philosophy versus Psychology?* PI: Katharina Nieswandt (Concordia University, Philosophy); co-applicants: Kristen Dunfield (Concordia University, Psychology). CAD 62,176 over three years
- 2019–2020 *Ended early in favor of EXPRO* (my contribution to the grant application: 20%): Collaborator: research project *Steps Towards the Naturalization of Inferentialism*. PI: Jaroslav Peregrin (Czech Academy of Sciences); co-applicants: Ladislav Koreň (University of Hradec Králové). Funding Agency: University of Hradec Králové. CZK 2,000,000 \approx CAD 114,835

- 2019–2020 PI (my contribution to the grant application: 100%): *Knowledge in a Digital World: Epistemic Injustice, Bias, and other Challenges in the Age of Artificial Intelligence*. Concordia University: Aid to Research Related Events, Publication, Exhibition and Dissemination Activities (ARRE).
CAD 3,000
- 2017–2020 PI (my contribution to the grant application: 100%): *L'acte de raisonner : sa nature et ses règles* (2018-NP-206481). Fonds de recherche du Québec, Société et culture (FRQSC): Soutien à la recherche pour la relève professorale.
CAD 52,156 over three years
- 2017–2019 Co-applicant (my contribution to the grant application: 20%): *Man as a Normative Creature*. PI: Jaroslav Peregrin (Czech Academy of Sciences); co-applicants: Ladislav Koreň (University of Hradec Králové). Funding Agency: University of Hradec Králové (funding scheme: excellence in research at UHK).
CZK 3,600,000 ≈ CAD 209,304 over three years
- 2016–2017 PI (my contribution to the grant application: 100%): *Logics of Consequence: Logical Inferentialism, Defeasible Reasoning, and Transitivity*. Concordia University: Aid to Research Related Events, Publication, Exhibition and Dissemination Activities (ARRE).
CAD 5,000
