EDUCATION

Doctor of Non-Theoretic (Nt.d) | 2002 – 2019
University of Cambridge & NATO Defense College
Thesis: The Beginning of Starfleet
Advance Research (Undiscovered/Unbeknownst) | 2002 – Present
University of Oxford (Engineering) & University of Cambridge (Department of Applied Mathematics and Theoretical Physics [DAMTP])
B.A. in Philosophy | 2008

OCCUPATION

Military Officer, Physicist, Educator, Logician – Advance Physicist and Utopian Scientist

AFFILIATIONS

Institutional: DARPA (Defense Advanced Research Projects Agency), NASA (National Astronautics and Space Administration), JPL (Jet Propulsion Laboratory), ITER (International Thermonuclear Experimental Reactor), UN, NATO, CD, ICCt.

HONORIFICS (DISTINCTIONS)

The Leading Professor, videlicet, The Architect of Gaming, 2017, theAASTSciences
The Grandmaster, 2015, PHPR, NATO Strategic Command
The Master of Space-Time, 2015, PHPR, UNESCO, NATO Strategic Command
(Allied Command Operations), i.e., The Master of the Primordial Genesis, The Master of Knowledge
Military Officer (OFF), the world superstate, 2016, the Trans-Atlantic Union (NATO alliance), immediate honorific (unlisted, operative)
Global elite, 2021, CD, ICCt, in seclusion

PUBLICATIONS & CONFERENCES

Record: Web of Science ([AAD-8576-2019](#))

Note: Direct conference presentations are restricted. Inquiries regarding meetings or high-level communiqués should be directed through established secure channels.
{Note: When lives are at stake, the top-prize is of little concern.
To be of scientific, political, and literary leadership is to decline without say.}

OPERATIONAL DOSSIER: Miguel Angel Sanchez-Rey, Doctor of Non-Theoretic (Nt.d), The Leading Professor

Current Status: In Seclusion / Global Elite (CD, ICCt)
Jurisdictional Oversight: NATO Strategic Command | Rome Statute Compliance

STRATEGIC SUMMARY

Elite military-scientific asset with over 20 years of continuous engagement in high-stakes strategic defense and catastrophic control. Specialist in non-theoretic advance warfare and advance scientific engineering for NATO, NASA, and the CD. Expert in global decision-making.

OPERATIONAL AFFILIATIONS

NATO / MI6 / US Intelligence: top-military scientist (Brussels-based operations).
DARPA / NASA / JPL: research liaison for advance physics and robotics.
International Courts (ICCt/ICJ): Obligate personnel to the Rome Statute.

KEY OPERATIONAL DOMAINS

Intelligence: catastrophic control, strategic diplomacy.
Nuclear Defense: ITER participation and nuclear physics engineering, metacontainment.
Advance Systems: AdSCon Systems, MetaKnowledge Systems
