RESEARCH PROFILE:

I am an interdisciplinary researcher (Ph.D. in Intellectual and Theological Studies) specializing in the intersections of tradition, modernity, and democratic governance in contemporary Arab thought. My work, grounded in philosophy, religious studies, and political science, critically engages with questions of religious reform, identity, and the religion-politics nexus. I have experience in international higher education coordination and teaching, and I am committed to advancing scholarly debates that bridge Arab intellectual heritage and global political theory
