

STEVEN J. FIRTH

 Lethbridge, Alberta |  steven.firth@helsinki.fi / shedlock2000@gmail.com |  +1 (403) 393-9891
 www.stevenjfirth.ca |  [0000-0002-4391-2910](https://orcid.org/0000-0002-4391-2910)

An analytic philosopher working across bioethics, healthcare ethics, and emerging technological contexts. Using experience-sensitive inquiry to examine how normative theories come under strain in complex cases and to develop more reliable frameworks for guiding decision-making in practice.

EDUCATION

PHD IN PHILOSOPHY (Doctor of Social Science)*

UNIVERSITY OF HELSINKI | Finland | 2025

THESIS: *Whither a Better Place: Philosophical Reflections on Disability and Inclusion*

MASTER OF ARTS IN PHILOSOPHY

FIRTH, S.J. | A Humean Approach to Disability

IN PREPARATION

FIRTH, S.J. (ed) | To Affinity and Beyond: A Transdisciplinary Social and Political Philosophy of Space | Edited Volume | Springer; Space and Society

TEACHING EXPERIENCE & EDUCATIONAL LEADERSHIP

SESSIONAL LECTURER | UNIVERSITY OF CALGARY | MAY 2023 — AUG 2023

Designed and delivered a fully led, 3-credit (48 contact hours) undergraduate course in applied ethics, examining contemporary moral, philosophical, and social challenges.

COURSE TAUGHT: *Contemporary Moral Problems* | 2nd Year | 180-min class | 27 students

- Developed curriculum materials including asynchronous content.
- Designed an original course examining contemporary moral, philosophical, and social challenges.
- Integrated disability studies, healthcare ethics, and social theory using lived-experience-informed casework.
- Facilitated student-led, dialogical learning through structured discussion and multimodal delivery.
- Supported neurodivergent and accommodated students through tailored assessment pathways and coordinated access plans.
- Aligned learning outcomes, assessment, and delivery, resulting in strong student engagement and feedback.

SESSIONAL LECTURER | SAIT | DEC 2019 — JUN 2020

Independently designed and delivered three fully led, 3-credit (45 contact hours) academic stream undergraduate courses made accessible for students in academic, engineering, and vocational streams.

COURSES TAUGHT: *Intro. to Philosophy* | 3rd Year | 50-min class | 18 students

Research Methodologies | 4th Year 90-min class | 48 students

Critical Thinking | 2nd Year 50-min class | 32 students

- Delivered full curriculum, assessment, and instruction across all courses.
- Adapted all modules to fully online delivery during COVID-19 without disruption to learning outcomes.
- Provided direct academic mentorship to students and peer support to colleagues navigating pandemic-era transition to online learning.
- Designed accessible asynchronous content for Deaf and EAL learners, working with translators.
- Integrated logic, philosophical method, and research literacy for non-specialist cohorts.
- Developed and marked all assessments, including shared final examinations across sections.
- Ensured alignment with programme-level outcomes and institutional benchmarks.

GRADUATE TEACHING ASSISTANT | UNIVERSITY OF LETHBRIDGE | 2014-2016

Contributed to undergraduate instruction across five 3-credit undergraduate modules (45 contact hours each), delivering lectures, tutorials, and assessments with substantial autonomy (up to ~50% course delivery).

COURSES TAUGHT: *Ancient Philosophy* | 2nd Year | 90-minute class | 22 students | F2F

Social and Political Philosophy | 3rd Year | 90-min class | 25 students | F2F

Intro to Philosophy (4 secs.) | 1st Year | 50-min class | 25–45 students | F2F

Advanced Ethics | 3rd Year | 90-min class | 21 students | F2F

Biomedical Ethics | 3rd Year | 50-min class | 18 students | F2F

- Developed original teaching materials, interactive activities, and lesson plans.
- Delivered lectures, seminars, and tutorials across five modules, teaching up to 50% of course content per module.
- Designed and administered LMS-based assessments (Moodle).
- Contributed to course design including marking rubrics, learning progression scaffolds, and assessment feedback structures.
- Provided detailed, criterion-based feedback and academic support.
- Supported student learning through dedicated office hours, flexible assessment arrangements, and accessibility accommodation implementation.
- Supported accessibility accommodations and diverse learning needs.
