Coyoacán, Mexico City

### **Profile:**

I'm a Philosophy Master with a specialization in Cognitive Sciences. I possess the ability to argue and critically analyze texts, extensive experience in teaching and developing educational content, knowledge in editing and proofreading texts, fluency in English and experience in translating texts and excellent coordination and project management skills. My goal is to apply those skills to help building solutions to the people.

### **Work Experience:**

- Researcher at UNAM and UASLP. Mexico.
  - Speaker at various student and philosophy intern meetings, as well as international research symposiums on logic and argumentation. The latest in November 2022.
- College teacher at Universidad Autónoma de San Luis Potosi. San Luis Potosi.
  - I design and teach the course "How to argue and not die trying: propositional logic applied to argumentation" for students of the bachelor's degree programs at the Faculty of Social Sciences and Humanities of the Autonomous University of San Luis Potosi, in the "IX Week of FCSyH". September 5 to 9 2022.
- College teacher at Universidad Autónoma de San Luis Potosi. San Luis Potosi.
  - Teacher of Argumentation Theory at the Debate Society of the Faculty of Social Sciences and Humanities of the Autonomous University of San Luis Potosi. I taught and designed this course and consolidated the Debate Society of the Faculty of Social Sciences and Humanities. My students competed

nationally in events organized by the Mexican Association of Debate in British Parliamentary format. August 2020 to July 2021.

- Taekwondo instructor at Taekwondo Santa Monica. San Luis Potosi
  - From 2014 to 2021, I taught taekwondo classes for people from the age of 3, both at the formative and competitive levels in combat and forms. My students regularly participated in the regional stages of the National Olympiad.
- Director of the philosophical café "La Duda" from January 2018 to July 2021.
- Editing assistant in *The Fragmented Mind*, edited by Dirk Kindermann and Andrea Onofri, Oxford University Press (2021). July 2020 to September 2020.
- Technical advisor of the Philosophy Bachelor's Degree program at the Autonomous University of San Luis Potosi from August 2018 to June 2020.
- Translator of the text "On Thought Experiments" by Ernst Mach in *Working in the Laboratory of the Mind: Nature and Scope of Mental Experiments*, edited by Jorge Ornelas, Armando Cintora and Paola Hernandez (2018). July 2018.
